SIR,

With reference to the Proceedings of the Board of Revenue dated the 12th December 1862, I have the honor to state that the charge of Rupees 50 therein alluded to was, as directed, included in the Contingent Bill of this Office for December 1862, but the Civil Paymaster, to whom the Bill was sent to be passed, has declined to admit the charge placing the following note on the face of the Bill : "a separate Bill should be submitted with a special sanction of Government," I beg that the required sanction may be obtained for the charge.

Ordered to be submitted to Government with a view to the required sanction being accorded. The charge in question was incurred under the sanction of the Board for the purpose of making certain alterations in the Stamp Office to give additional security, and can be met from the provision made in the Supplemental Budget for 1862-63.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th December 1862.

Read the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 10th December 1862, No. 465 of Fasli 1272 :—

1. With reference to paragraph 2 of the Proceedings of the Board of Revenue dated 1st December 1862, No. 7,871, I have the honor to submit an Estimate of the alterations required to the building occupied by the Stamp Office, the cost of which amounts to Rupees (50) fifty, and to request that the sanction of Government may be obtained for the charge.

2. The amount first estimated was Rupees (41) forty-one, but in order to make the rooms for double Stamps, Packing, and Stationery, more secure, two windows have to be blocked up, and an iron bar fixed to the window near the double Stamp room, which involves an additional charge of (9) nine Rupees.

3. The principal object of the alterations is the obtaining of a separate lock-up room for double Stamps before packing, and a packing room distinct from the Stamping and Store rooms; the alterations consist in the putting of two doors into two archways, one of which is now closed, and the securing of windows next the street. The consent of the Agents of the property will be obtained before the work is proceeded with.

4. The charges can be met readily from the provisions of the Budget for 1862-63.

ENCLOSURE No. 1.

ABSTRACT.—Estimate cost for certain alterations required to be made to the building now occupied by the Stamp Office.

The Board authorize the Superintendent of Stamps to incur an expenditure of Rupees 50 for this purpose, and to charge the amount in his Contingent bill, on the distinct understanding that the Agents of the owner of the building consent to the execution of the work.

Secretary.
