Proceedings of the Madras Government, Revenue Department, 16th February 1863.

No. 247. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Madras, 30th January 1863, No. 1,445:—

SIR,

1. With reference to the Order of Government dated 24th January 1863, No. 153, enquiring to what extent and for what further period the establishment sanctioned in the Order of Government dated 23rd November 1859, will be required, I have the honor to state that I am at present unable to give the exact period for which the establishment will be required. The Order of Government dated 23rd November 1859, above referred to, sanctioned a sum of Rupees 150 per month for carrying on the duties connected with the revision of Establishments, but I now retain only a small Establishment at a monthly cost of 60 Rupees according to the actual requirements.

2. Most part of the work connected with the revision of Revenue Establishments has been done, but the correspondence regarding the Village and Revenue Establishments between myself and the Collectors has not yet ceased, I am not certain when I shall be fully relieved by Government of this duty. As long as I have it, it will be necessary for me to keep a small Establishment to conduct the business of the separate Department. The present Establishment of 60 Rupees will probably suffice for another official year, if the revision is to be continued till that time. And I accordingly beg to submit a Tabular Statement in the prescribed form, showing the temporary establishment at a monthly cost of Rupees 60. As soon as the business is finally closed the Establishment will be dispensed with.

No. 248. ORDER THEREON, 16th February 1863, No. 345.

Ordered that the Statement received with this letter be forwarded to the Government of India with the following remark:—

"Submitted for confirmation with reference to the Honorable E. Drummond's letter "dated 5th November 1862, No. 924G. The continuance of this Establishment till the end of "April 1864 is absolutely necessary to enable Honorable Mr. Pelly to complete the revision of the "Revenue Establishments. The objects and advantages of this revision were explained to the "Government of India in the late Secretary Mr. Bourdillon's letter to the Secretary to the "Government of India, dated 14th September 1860, No. 1,596. The Government placed at "Honorable Mr. Pelly's disposal 150 Rupees per mensem, but he has now retained only a small "Establishment at the monthly cost of Rupees 60, and for the continuance of this alone sanction "is required."

(Signed.) J. D. SIM,
Secretary to Government.
