I think this may be reduced
by Mr Low has already been
allowed a sum for clearing
the Landale Sykes &c
arrangement was that he
was to plant 640 Acres
Every year. Keeping the
charge of 1200 £ may be
admitted on Forest Head
will reduce it to 1396 0 &
this contingent charge will
be dispensed with - the
felling may stand as usual
over the expensive felling
the Land in this Township
which is to be trenched &
planted in the Summer.

- Might not the 50 acres at Nelly's River be postponed? The plants seem ready & it would be a pity not to carry out the working plan prepared entirely like.
