*Proceedings of the Madras Government, Revenue Department,
24th February 1863.*

Read the following letters :—

No. 341. From G. A. BALLARD, Esq., Collector of Malabar, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Calicut, 9th February 1863, No. 10.

SIR,

I have the honor to inform you that subsequent to the despatch of my letter of the 2nd instant, No. 8, the Nelambur Tirumalapad resumed correspondence on the subject of the Mudamallai forests, and has expressed his willingness to lease them to Government for ninety-nine years on an annual rental of Rupees 3,500. Adverting to the letters of Captain Beddome and Major Morgan, I beg to recommend that this offer be closed with, and I request permission to draw up and conclude an Agreement with the Raja on the subject. I beg I may be favored with an early reply.

No. 342. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, da. el Camp Ootacamund, 14th February 1863, No. 378.

SIR,

I have the honor to acknowledge the receipt of the G. O. of the 10th instant, Mr. Ballard has just written to me that the Raja's Vakeel has now consented to take the 3,500 Rupees per annum for the Mudamallai forest, I would recommend that an Agreement should be concluded on these terms, though I would not be prepared to recommend any advance upon this sum, as I think that it is the highest that we should offer.

No. 343. ORDER THEREON, 24th February 1863, No. 391.

1. The Collector of Malabar is authorized to accept the offer of the Nelambur Tirumalapad, and to draw up and execute an Agreement accordingly.

2. The Conservator of Forests will annually submit a Statement showing the receipts and charges of this forest. The return should show separately the value of the timber felled and in store.

From the Officer-in-Charge of Forests.

Regarding the rental of
the Mudamallai Forests.

(Here enter 14th Feb/63 N 378)

It strikes me that we are am-
-mitting an extravagance here -
I see no reason why Govt should
become Lumber Merchants.
So long as we retain in our
own hands sufficient funds
to supply our own wants we
require nothing more.

The Collector of
Malabar is authorized
to accept the offer
of the Nolumbur
Thimmalpad and draw
up an agreement
accordingly.

It would seem that the
conservation measures
goes as far as the maximum
limit and it is doubtful
whether we shall get back
our money plus the
cost of keeping timber
all the while that have
been cut it will be paid
before the money is paid.
