3. I take this opportunity to request to be informed whether the Proceedings of the Board, and the Order of Government thereon recorded dated 27th January 1854, fix the standard for the Saderwarid charges of this District, or simply sanction the expenditure of Fasli 1233; the Civil Paymaster puts the latter interpretation on them. In Fasli 1270 when the amount of Saderwarid expenditure was high, application for sanction was made for the excess over the amount sanctioned in the authorities above cited; and the Board of Revenue submitted the application for the sanction of Government, which was accorded in their Order dated 15th August 1861, No. 1,615, whereupon the Civil Auditor passed the whole amount.

4. In conclusion, I beg to observe that as the estimates of Saderwarid charges forwarded to the Board with letter from this Office dated 21st December 1860, No. 305, was framed upon the experience of five months, and it has been found defective in certain respects; I have therefore caused the enclosed revised estimate to be prepared upon the expenditure of two years including the Jamabundy months, which I request may be substituted for the former one.

ENCLOSURE No. 1.

ABSTRACT.—Revised standard Estimate of Saderwarid expenditure proposed for the District of North Arcot.

1. Ordered to be submitted to Government, with the Board's recommendation that the sum of Rupees 210-15-11, being the excess charge incurred on account of Saderwarid in North Arcot in Fasli 1271, as shown in the margin of paragraph 1 of the above letter, be sanctioned.

2. Adverting to the Acting Collector's inquiry in paragraph 3, the Board are of opinion that pending the fixing of a standard for Saderwarid charges, Rupees 6,253-6-0 may be accepted as the standard limit in North Arcot.

3. The revised standard Estimate of Saderwarid charges now forwarded by the Acting Collector will be substituted for that submitted with his letter of the 21st December 1860, No. 305, and will, after such corrections as may be found necessary in this Office, be included in the general standard Estimate for the several Districts of this Presidency, which is about to be laid by the Board before Government.
