Proceedings of the Madras Government, Revenue Department, 25th February 1863.

No. 370. Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Calicut, 17th February 1863, No. 13:—

SIR,

1. I have the honor to enclose copy of a letter* addressed to me by the Brigadier Commanding Malabar and Canara, regarding the necessity of a Travellers' Bungalow at Malliapuram, an important Military Outpost in this District.

* No. 493, dated 11th December 1862.

2. Being of opinion that a Bungalow is much required, I put myself in communication with the District Engineer and Superintendent of Police, South Malabar, and learn that if the District Moonsiff can move into an old Police Corps place of Arms, considered by the District Engineer sufficiently capacious for his use, the building now occupied by the District Moonsiff, an old Police Hospital, could be put in order as a Travellers' Bungalow for about Rupees 142, and that this building is not required by the Police.

3. The Civil Judge, whom I addressed on the subject of the proposed change of the building for the Moonsiff's Cutcherry, informs me that there is no objection to the measure; but that the Moonsiff reports that the old Police Corps place of Arms requires certain repairs to render it suitable for a Court House.

4. I have requested the District Engineer to cause an estimate to be prepared for the repairs required to the building; meanwhile I solicit the sanction of Government for appropriating the old Police Hospital as a Travellers' Bungalow.

No. 371. ORDER THEREON, 25th February 1863, No. 408.

The Collector is requested to ascertain what number of travellers are likely to halt at the proposed Bungalow, the cost of the requisite establishment and the probable amount of monthly fees.

(Signed.) J. D. SIM,
Secretary to Government.

No. 498

Cannanore 11th December 1862.

From,

The Officer Commanding
Malabar and Canara.

To,

The Collector and Magistrate
of Malabar.

Sir,

I have the honor to bring to your notice that on my late official visit to the important Military Outpost of Mallapuram, one of its urgent wants was represented, and appeared to me, to be a Traveller's Bungalow. Official and other visitors have now absolutely no resort there but dependence on private Hospitality, which is not contemplated elsewhere.

There is a small public Building formerly occupied for Medical purposes now not used I think. This might be made available as a (very desirable and acceptable) Traveller's Bungalow at a trifling expence I should suppose.

I have &c.
