*Proceedings of the Madras Government, Revenue Department,
28th February 1863.*

No. 417. Read the following Proceedings of the Board of Revenue, dated 16th February 1863, No. 930.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 31st January 1863, No. 17 :—

SIR,

1. I have the honor to acknowledge the receipt of the Board's Proceedings dated 4th November 1862, No. 7,276.

2. In explanation of the case of dismissal in Malabar, I cannot do better than quote the words of my Sub-Collector on the subject.

"With reference to the dismissal of Bhaskariah referred to in the Proceedings of Government dated 18th October, I have the honor to state this servant had been absent from November 8th to May 1st without leave or duly certified ill-health, and that though called on to resign he refused to do so. He had previously been absent from June to October, and had evidently made up his mind not to go to North Malabar, and as the Sub-Collectorate had been permanently removed there, there were only two courses open, viz., to exchange or dismiss him.

"The former course was not desirable in consequence of the extremely bad reputation he had gained at Palghat.

"In 1857 Mr. Morris, in recording his character, alludes to the necessity then found for constantly watching him, and remarks that he had then been much too long in the post.

"He was absent from one cause or another nearly all the time I was in the Sub-division, so I cannot speak personally to his conduct. I found it impossible to get any work out of him.

"His testimonials are on the whole favorable, and I would recommend that his dismissal should be regarded as a compulsory retirement not disqualifying him for pension."

3. I beg to support Mr. McGregor's recommendation, and to request that the party dismissed may be granted a pension.

1. Ordered to be submitted to Government with reference to their Proceedings dated 18th October 1862, No. 2,231.

2. The Collector must be aware that his recommendation cannot be complied with unless Bhaskariah produces the usual Medical Certificate of physical incapacity for further service.

No. 418. ORDER THEREON, 28th February 1863, No. 431.

Pensions are granted for good conduct, to servants of good character. Unless the Collector can certify favorably of Bhaskariah in both respects, the grant of a pension is out of the question. From the Sub-Collector's report Bhaskariah's character appears to have been very bad, and this statement must be shown to be incorrect before he can receive a pension.
