*Proceedings of the Madras Government, Revenue Department,
28th February 1863.*

No. 424. Read the following Proceedings of the Board of Revenue, dated 21st February 1863:—

Read the following letter from *Æ. R. McDONELL, Esq.*, Collector of Trichinopoly, to *W. HUDLESTON, Esq.*, Secretary to the Board of Revenue, Madras, dated Trichinopoly, 13th February 1863, No. 27.

SIR,

1. I beg to submit a letter and plan received from the District Engineer, you will see that in accordance with the orders conveyed in Sir C. Trevelyan's Minute dated the 28th of January and the Government Order dated 14th of May 1860, it is proposed to sell in separate lots the sites marked in the plan, yellow; for the purpose of building a bazaar which is now much required, the present bazaar is ill arranged and very dirty. In selling the lots as sites for buildings; parties will be called upon to bind themselves to build with due regard to the plan given them.

2. The piece of ground shown in the plan is at present an open plain, and partly composed of the old fort ditch filled in, and levelled, it is at the back of the Zillah Jail and to the south of the town, and immediately to the west of the bazaar known as the "Mylum Chundai." The ground is valuable, and I hope with the sum realized to be able with Captain Palmer's kind aid to improve the town.

3. Captain Maisack, the Superintendent of Police, has applied for the land in order that he may build Police lines. I would not advise his request being complied with, but would suggest that as there is no chance of Cavalry being again stationed here, the Cavalry lines or rather the land where they stood be given over for this purpose; This spot is in every way convenient and would answer the purpose well. I therefore solicit the Board's sanction for my publishing that the sale of these building lots will take place on Monday the 13th of April next.

Ordered to be submitted for the decision of Government.
