*Proceedings of the Madras Government, Revenue Department,
28th February 1863.*

No. 430. -Read the following Proceedings of the Board of Revenue, dated 25th February 1863:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Trichendoor, 19th February 1863, No. 76.

SIR,

1. I think it highly desirable that Captain Phipps, Superintendent of Pearl Banks, should be permitted to visit the Pearl Fishery to be held at Aripoo in Ceylon this year, and which commences about 2nd March, and is expected to last twelve days. I wish him to see how the Ceylon Fishery is conducted, and he might learn some thing useful, to guide him in conducting the Fishery on this coast. He need only be absent altogether ten days, and he could arrange for the business of his Office being carried on in the *interim*. Captain Phipps is also of opinion that it is desirable he should see the fishery.

2. If the Board and Government therefore approve of my recommendation, I have the honor to request, that to save time, you will Telegraph direct to Captain Phipps at Tuticorin, allowing him to run over to Aripoo. The message should reach Captain Phipps by 2nd March. I shall desire him in the meantime to hold himself in readiness for an immediate start.

Ordered to be submitted for the sanction of Government.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, *Secretary.*
