E., Assistant to the Chief Engineer, Department Public Works, in charge of the Audit and Account Departments, Central Office of Public Works, Madras, dated Dumagudiem, 19th January 1863, No. 599.

SIR,

With reference to the Chief Engineer's Miscellaneous Circular No. XVIII, dated 16th September 1862, and your letter No. 4,445 of the 1st December 1862, I have the honor to report that the Order of Government in the Revenue Department, No. 1,471, dated 7th July 1862, prohibiting the Tahsildars from paying any cheque issued by the Officers of the Public Works Department until they have received from the drawer a regular letter of advice specifying the number, amount and date of the cheque drawn, and the name of the party to whom it has been, or is to be made payable, affords a good security against fraud or forgery, but entails extra labor and unnecessary delay in drawing funds from the Revenue Treasuries, also the refusal of the Tahsildars to cash cheques for want of letters of advice which sometimes are delayed by a mistake in their transmission or other similar accident happens to be a serious inconvenience to the interests of the State.
