*Proceedings of the Madras Government, Revenue Department,
4th March 1863.*

No. 36. Read the following letter from J. L. LUSHINGTON, Esq., Acting Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 20th January 1863, No. 350 :—

SIR,

1. With reference to the 1st paragraph of the Order of Government, dated 11th ultimo, No. 2,590, regarding the differences in the Statements submitted by the Board and this Office, under the heads "Stamps" and "Income Tax," I have the honor to forward a Tabular Statement explaining those differences.

2. I beg, at the same time, to state, that the sum of Rupees 24,657, added to "Stamps" in the Statement given in the margin of the above Order, being penalties on unstamped Deeds, has been shown under "Extra Revenue," and should not, therefore, be taken into account in the comparison made by Government.

3. The sum of Rupees 122 was, I find, erroneously entered in the Memorandum annexed to letter from this Office, dated 14th October last, No. 237, there is in reality no such difference.

TABULAR STATEMENT.

	As given by the Board.	As given by the Account- tant General.	Difference.		Remarks.
			Increase.	Decrease.	
Stamps.....	17,94,532	18,52,766	58,234		This difference is caused by the sum of Rupees 82,767 being proceeds of Stamps sold by the Superintendent of Stamps during Fasli 1260 having been included in the Accountant General's Statement, but omitted in that of the Board, and by the amount, viz., Rupees 24,533, of penalties on unstamped Deeds, &c., which the Board carried to "Stamps," being credited in the Accountant General's Statement to "Extra Revenue." This difference is occasioned by the sum of Rupees 16 having erroneously been twice taken in the Board's Statement, Rupees 3 less than in the column headed "Decrease," is owing to fractional differences.
Income Tax.....	9,61,685	9,61,672		13
