Proceedings of the Madras Government, Revenue Department, 5th March 1863.

No. 51. Read the following Proceedings of the Board of Revenue, dated 13th February 1863, No. 883 :—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Udayagiri, 17th January 1863, No. 10.

SIR,

1. In reply to the Board's Proceedings under date the 2nd June 1860, No. 2,637, I have the honor to submit a Statement showing the extent taken up, for the new Sarvapalli channel and Town improvements, in Inam land, and the land it is proposed should be given over in compensation.

2. The details as to the Sarvapalli channel are shown in the accounts and require no further remarks here. The Town improvement details are as follows :—G. 1, V. 2, P. 10, or $3\frac{11}{160}$ acres of land, bearing an assessment of Rupees 7-8-9, and belonging to one Chitta Gulam Mohadin to the south of the old Fort wall, has been taken up for the purpose of forming a burial ground for the Mohammedans, in order to put a stop to the practice of burying in the Town, a practice as injurious to the health of the inhabitants, as otherwise objectionable.

3. In making the new approach into the Town from Mulapet it was also found necessary to take up 24 Kuntas of land, assessed at Rupees 3-14-10 belonging to the Zangams and Mulla Madar Sahib's Inam ; and the land thus taken up it is proposed to replace by an equal extent of land lying adjacent in the old Sarvapalli channel.

4. From the accompanying Statement it will be seen that the Inam lands of 18 people altogether have been taken up for the purposes in question, being Acres 39, K. 35, V. 13, P. 8 in extent, assessed at Rupees 183-6-6, and that for this area lands in compensation to eight persons acres 10, K. 12, V. 5, P. 8, assessed at Rupees 46-4-0 have been selected in the old Sarvapalli channel ; and lands for ten Inamdars have been selected in Nellore and in other villages as appeared convenient ; and I request the Board will be pleased to obtain the sanction of Government to the said transfer.

5. In conclusion I beg to state that for four Inams named in the margin,* money payments have been requested on the plea that no lands are to be had in Nellore, in exchange for the fields given up. As soon as I return to Nellore I will make full inquiry into this point, and submit a supplemental report.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the extent of land taken up for the new Sarvapalli cut and Town improvements, and the land proposed to be given in exchange.

---

1. Ordered to be submitted for the orders of Government, in continuation of Board's Proceedings dated 2nd June 1860, No. 2,637.

2. In their Proceedings of the 14th September 1859, No. 1,236, Government approved generally of the arrangements proposed by the Collector of Nellore for compensating individuals, whose lands had been taken up for the new cut to join the Jaffer Saib and Sarvapalli channels in connection with the Penair Anicut, consisting partly in money payments and partly in exchanges of land. In their later Proceedings of the 29th June 1860, No. 1,071, they passed orders on the arrangements made for compensating parties in money, and sanctioned the disbursement of Rupees 3,147-2-0 for that purpose.

3. The Collector now sends up a Statement of the land he proposes to give in exchange for the Inam land taken up by the new channel, and he includes in it a similar provision for the case of certain land taken up for the improvement of the Town, the whole aggregating

Acres 39, K. 35, V. 13, P. 8, assessed at Rupees 183-6-6, in lieu of Acres 35, K. 3, V. 13, P. 8 assessed at Rupees 183-6-6 occupied by Government, as follows :—

For what purpose taken.	Extent of Inam taken up.				Assessment.			Extent proposed to be given in exchange.				Assessment.

No. 52. ORDER THEREON, 5th March 1863, No. 469.

1. Sanction is accordingly granted for the proposed exchange of land.

2. In paragraph 5 of his letter dated 6th September 1859, No. 27, the late Collector, Mr. Elton, stated the extent of Inam land which would be occupied by the new channel and for which other land would have to be assigned at Acres 24 and Kuntas 25; but Mr. Dykes' present statement shows that extent to be Acres 33-17-3-8. The Government presume that the latter is the correct account, but the Board will ascertain whether it is so.
