Proceedings of the Madras Government, Revenue Department, 5th March 1863.

No. 53. Read the following Petition of SYED GHULAM DASTAGHIR, residing at Residency Bazar, Hyderabad, son of the late SYED BOORHANOODIN, to the Right Honorable the Governor in Council, &c., &c., &c., Fort Saint George, dated Residency Bazar, Hyderabad, 8th January 1863:—

MOST RESPECTFULLY SHEWETH,

1. That your Petitioner begs to represent to your Honor in Council that his father Syed Boorhanoodin has been died on the 2nd November 1862, who was a long resident of this place. Your Petitioner therefore entreats your Honor that the pension according to the copy of the annexed Certificate granted to him has been ceased from the day of the death of Petitioner's father by the Military Paymaster of Hyderabad Subsidary Force, and who informed your Petitioner that until orders again from Government is issued to him he cannot commence paying the usual pension to your Petitioner.

2. Your Petitioner therefore solicits your Honor in Council that the Jaghire possessed by the Government from your Petitioner's ancestors, has been bestowed by His Highness the Nawab Wallaja Bahadoor of the Carnatic for the maintenance of the family of them from generation to generation. But your Government has taken possession of the Jaghire situated in the Collectorate of the District of Nellore, and gave a pension in lieu of it, consequently Petitioner begs to entreat your Honor in Council to order to grant the pension as usual and as ordered from your Government dated 28th November 1826, from the date of the death of your Petitioner's father Syed Boorhanoodin and according to the usage continued from generation to generation of your Petitioner by your Honorable Government, because your Petitioner and his numerous family are only looking to the livelihood granted by your Government upon the Jaghire formerly enjoyed by your Petitioner and family. And your Petitioner trusts that his prayer may be kindly and early be complied with.

For which act of charity and liberality your Petitioner as in duty bound will ever pray.

No. 54. ORDER THEREON, 5th March 1863, No. 470.

1. In this Petition Syed Ghulam Dastaghir prays for the continuance in his name of the pension of Rupees 105 per mensem enjoyed by his late father Boorhanoodin.

2. A pension of 100 Pagodas a month was granted to Syed Shah Alikadery (the late incumbent's grandfather) in lieu of a Jahgir which was resumed in consequence of the grant under which it was held bearing a date subsequent to 1792.

Vide Section 2, Regulation XXXI of 1802. The Nabob had no power of making grants after that date.

3. Though only a life pension, the Board on the death of the grantee were induced to recommend that one-half the amount should be continued to his son Syed Kurreemoodin (the late incumbent's father) for the term of his natural life.

4. When Kurreemoodin died his brother Syed Kutboodin claimed the pension. The Board were of opinion that as the period since the continuance of the grant on the ground of the poverty of the family had been very short, and as it was not probable that they could have acquired sufficient property to maintain themselves independently, it would be proper to continue the pension of 50 Pagodas per mensem to the head of the family with the express proviso that their claims on the Government were to terminate with his death. In sanctioning this arrangement the Government desired that the family should be distinctly apprized that the pension would not be renewed "after the death of the present grantee."

From Board of Revenue 9th September 1824, No. 426.

To Board of Revenue, 21st September 1824, No. 613.

5. Thus Kutboodin had enjoyed the pension about a year and a half when a claim was set up to it by one Syed Boorhanoodin (present Petitioner's father) as the son of the late Kurreemoodin. The result of the enquiries which were instituted was that the pension was divided between the nephew (Boorhanoodin) and uncle (Kutboodin), the former receiving 30 and the latter 20 Pagodas a month. Kutboodin died about 1832.

28th March 1826, No. 191.
28th November 1862, No. 750.

To Board of Revenue, 3rd February 1832, No. 115.

6. The payment of Syed Shah Boorhanoodin Kadery's share was transferred from Madras to Hyderabad in 1836. The descriptive roll furnished by the Collector of Madras at the time shows clearly that the pension was to lapse on Boorhanoodin's death.

Extract Minutes Consultation, 4th August 1836, No. 1,000.

7. It appears from the Petition recorded at the head of this Order that this pensioner died at Hyderabad on the 2nd November last.

8. Considering the distinct orders passed by Government nearly forty years ago that this pension was not again to be renewed, there can be no hesitation in determining that it has finally lapsed. The following Endorsement will therefore be passed on Petition 164 of 1863 :—

"Petitioner is informed that the pension enjoyed by his late father will not be renewed in "his name."

9. It does not appear that any report from the Hyderabad authorities as to the death of the late Boorhanoodin has reached this Government.
