*Proceedings of the Madras Government, Revenue Department,
9th March 1863.*

No. 75. Read the following Proceedings of the Board of Revenue, dated 17th February 1863,
No. 984 :—

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, dated 23rd January 1863, No. 16.

SIR,

1. With reference to the Order of Government dated 15th instant, No. 99, communicated
by the Board under date the 20th idem, I have the honor to report that although the village of
Sembaravully referred to, is at present uninhabited, yet there is every probability of its being
re-peopled in a few years as has been the case in the neighbouring villages.

2. Sembaravully is situated in a jungly and unhealthy locality where the
* 14 Rupees. services of a Monigar are much needed for the collection of revenue* and for
other duties disposable by the village authority. There are several uninhabited
villages in the District, but I hope that in the course of the next two or three years, under the
present liberal policy, they will be again peopled.

3. Under these circumstances I request that the sanction of Government may be obtained
for the arrangement recommended in paragraph 3 of my communication dated 25th November
last, No. 245.

Ordered to be submitted to Government, with reference to their Proceedings quoted by the
Collector, and with the Board's renewed recommendation that the proposed exchange of land be
sanctioned in the case of the Sembaravully village, as it appears that there are some duties there
connected with the office of Monigar, which it is not to be expected any one will perform
without remuneration, and which it is hoped may ere long increase.
