No. 87. Read the following letter from Lieutenant-Colonel S. O. E. LUDLOW, R. E., for Deputy Chief Engineer, Southern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 23rd February 1863, No. 200:—

2 Letters from District Engineer, Tanjore, Nos. 58 and 340, dated 21st June 1862 and 9th February 1863.
2 Proceedings of the Revenue Board, Nos. 7,213 and 321, dated 31st October 1862 and 20th January 1863.
1 Report.
1 Plan.
1 Abstract Estimate.

Sir,

1. With reference to Government Order No. 442, dated 14th March 1862, I have the honor to submit a plan and estimate of Rupees 2,900 for converting the Government School House at Negapatam, Tanjore District, into a Talook Cutcherry, duly countersigned by the Acting Collector in token of approval.

2. An estimate of Rupees 2,830 for this work was received and forwarded to the Board of Revenue for their consideration in October last; and in approving of the proposed work, they suggested certain alterations, which increased the total by Rupees 70+2,830=2,900.

3. I beg to observe that the submission of this estimate was delayed, pending receipt of the report required by Government in paragraph 1 of the above Order. Captain Mullins states (*vide* letter No. 261, dated 5th December 1862, printed with Proceedings of the Board of Revenue No. 321, dated 20th January 1863, herewith forwarded) "that the Acting Collector considers that the present Talook Cutcherry at Kodambadi should be left as it is, in case it should be required for a Court or for any other purpose."

4. Should Government sanction the estimate, its cost, partly, may be met from the Repair Funds allotted to the Tanjore District, in the current Budget, under the head "Land and Miscellaneous." There is a sum of Rupees 1,100 still unexpended under that head; and the Acting District Engineer is of opinion* that work to that extent only can be done up to 30th April next to the Negapatam School. A fresh application will therefore be made for the balance (Rupees 1,800) of the estimate soon after 1st May 1863, for completing the work in question.

* No. 340, dated 9th February 1863.

Referred to the Revenue Department with reference to the orders in that Department, No. 532, dated 11th March 1862.

(Signed) W. I. BIRDWOOD, Colonel, R.E.,
Secretary to Government, P. W. D.

25th February 1863.

No. 88. ORDER THEREON, 11th March 1863, No. 489.

Approved.

(Signed.) J. D. SIM,
Secretary to Government.

4 Should Government Sanction the Estimate, the Cash portion may be met from the Repair funds allotted to the Tanjore District, in the Current Budget under the head "Miscellaneous". There is a Sum of Rs. 1100 still unexpended under that head, and the Acting District Engineer is of opinion that work to that extent can be done up to 30th. April next. to the Negapatam School. Fresh application will thereafter be made for the balance (Rupees 800) of the Estimate from after 1st. May 1863. for completing the work in question.
