SIR,

1. I have the honor to report with reference to the Board's Proceedings of the 10th instant, No. 801, that the Deputy Collector in charge of the Salt Department has reported to me that the Salt Ryots are now actively at work in forming beds, &c., and Salt will soon be produced at Manganapudy Kotar.

2. As there will be some delay in the receipt of the sanction of Government for the amount of the estimate for the construction of the platforms, forwarded with the above Proceedings, I have requested the District Engineer to order the work to be commenced at once, to prevent any inconvenience to the storing of the Salt when gathered.

3. The amount of the estimate will be advanced from the funds mentioned in paragraph 6 of my letter of the 2nd instant, No. 20, in anticipation of sanction.

Ordered to be communicated to the Chief Engineer, with reference to Board's Proceedings dated 10th February 1863, No. 801. The Board approve the Acting Collector's proceedings.
