Proceedings of the Madras Government, Revenue Department, 9th January 1863.

No. 91. Read the following Proceedings of the Madras Government in the Financial Department, dated 22nd December 1862, No. 890.

Read the following papers:—

Extract from the Proceedings of the Government of India, in the Financial Department, dated 19th November 1862, No. 970 *a*.

Read letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster, Madras; to the Honorable E. DRUMMOND, Financial Secretary to the Government of India, No. 1,353, dated 22nd September 1862.

I have the honor to enclose copies of orders of the Madras Government sanctioning the disbursement from savings in the Budget grants for 1862-63, of certain charges which, though otherwise duly authorized, are not specially provided for in the Budget of that year, and beg to be informed whether similar sanctions should be reported to the Supreme Government in the monthly Statement under instructions contained in para. 43 of your letter to the Chief Secretary to the Government of Saint George, dated 21st June last, No. 4,089, or whether only sanctions involving *fresh charges* and alterations should be included in that Statement.

G. O. 2nd August 1862, No. 1,646, Revenue.
G. O. 8th August 1862, No. 588, Judicial.

2. A copy of the form prescribed by the Madras Government, for the statement required by the above order, has been already forwarded for the information of Government with my docket, No. 457, dated 20th instant.

From L. C. PROBYN, Esq., Officiating Civil Paymaster of the North-Western Provinces, to J. D. SANDFORD, Esq., B.A., Under Secretary to the Government of the North-Western Provinces, Financial Department, Allahabad, No. 295, dated Allahabad, 9th October 1862.

With reference to the correspondence noted in the margin,* which was forwarded for my information and guidance with your endorsement, No. 1,827 A, dated the 29th of September 1862, I have the honor to transmit, for the consideration and orders of His Honor the Lieutenant-Governor, the accompanying copy of a form in which I propose to furnish the return required by the orders of the Government of India, conveyed in their letter to the Chief Secretary to the Government of Fort Saint George, No. 4,089, dated the 21st of June 1862, and by His Honor's Orders as communicated in the correspondence above referred to.

* Letter from the Deputy Auditor and Accountant General of the North-Western Provinces, dated the 6th of September 1862.
Reply to above, dated the 29th of September 1862, No. 1,826 A, in the Financial Department.

2. As it is possible that in many cases there will be both a transfer of grant, and alteration of charge, I think it will be better to have only one Statement, combining all the information required, instead of two Statements, as contemplated by Mr. Balmain. I have accordingly made arrangements for the exhibition of all the information required in the single accompanying form, and I may add that this slight deviation from his proposal is approved by the Officiating Deputy Auditor and Accountant General. I trust therefore His Honor will be pleased to allow it.

3. I have taken the liberty of filling up the statement herewith furnished with imaginary cases as examples, as I thought His Honor would thus be better able to decide if the proposed form is adopted to the purposes for which it is intended.

4. The Statement will be prepared in duplicate as soon as possible after the receipt from the Secretary of the last orders of the month to which it relates. One copy will be furnished direct to the Government of India, through the Deputy Auditor and Accountant General, and the other copy will be transmitted, for the information of His Honor the Lieutenant-Governor and for despatch to the Government of India, after any necessary corrections have been made, and any omissions supplied.

Monthly Statement of transfers of grants and of alterations and increases in charges within prescribed limits sanctioned by the Government of the North-Western Provinces, and reported for the information of the Government of India.

CIVIL PAYMASTER'S OFFICE,
NORTH-WESTERN PROVINCES, ALLAHABAD,
The 9th of October 1862.

(Signed) L. C. PROBYN,

Officiating Civil Paymaster of the North-Western Provinces.

From J. D. SANDFORD, B.A., Under-Secretary to the Government of the North-Western Provinces; to L. C. PROBYN, Esq., Officiating Civil Paymaster, North-Western Provinces, Allahabad, No. 1,993 *a*, dated Nynee Tal, 28th October 1862.

Financial Department, N. W. Provinces.

In reply to your letter, No. 131-295, dated the 9th of this month, I am directed to inform you that the Honorable the Lieutenant-Governor approves of the form therewith submitted, according to which you propose to furnish the monthly return required by the Government of India, in the orders to the address of the Madras Government, No. 4,089, dated 21st June 1862, showing transfers of grants between the subordinate heads of the Budget and alterations and increases in charges within prescribed limits.

2. As, however, the controlling officers named in my letter to the address of the Officiating Deputy Auditor and Accountant General, No. 1,842*a*, dated 1st October, have been authorized to direct re-distribution of the grants pertaining to their department for contingent charges, the number and date of their orders will in such cases be shown in the 1st column of the Statement.

3. In accordance with the request contained in your letter, No. 130-291, dated 9th of this month, such officers will be instructed to communicate at once to your office any transfers which they may order.

No. 1,994*a*, FINANCIAL DEPARTMENT, N. W. P., NYNEE TAL, *the 28th October* 1862.

Ordered, that copies of the foregoing be forwarded to the Secretary to the Government of India, in the Financial Department, for the information of His Excellency the Viceroy and Governor General in Council, in continuation of No. 1,828*a*, dated 29th ultimo.

FINANCIAL DEPARTMENT, FORT WILLIAM, *the 19th November* 1862.

RESOLUTION.—The charges herein referred to appear to be *fresh* charges so far as the Budget is concerned, and should be included in the monthly Statement required by this Government; but the Governor General in Council considers it desirable to have two Statements, one of transfers merely, and another of fresh charges and alterations, the latter in sufficient detail to help an opinion as to the expediency of the alteration reported.

2. In respect to the head to which the allowances of the Talliars of Pulicat should be charged in the Budget, orders will be passed hereafter.

To the Government, the Officiating Civil Paymaster, and the Deputy Auditor General, Madras.

To the Auditor General of India.

To the Government and the Civil Paymaster, North-Western Provinces, with reference to docket of the former, No. 1,994, dated 28th October 1862.

To the other Local Governments, Civil Paymasters, and Deputy Auditors and Accountants General, for information and guidance.

(A true Extract.)

(Signed) E. DRUMMOND,
Secretary to the Government of India.

From the Honorable E. DRUMMOND, Secretary to the Government of India, Financial Department; to the Chief Secretary to the Government of Fort Saint George, dated Fort William, Council Chamber, the 19th November 1862, No. 956A.

Financial Department.

A question having been raised in the Proceedings of the Madras Government, No. 588, dated 8th August 1862, as to the head under which the allowances of the Talliars of Pulicat should be provided for in the next Budget Estimate, I am directed to enquire whether the allowances were granted in consequence of resumed privileges, in which case the charge would evidently come under "Allowances and Assignments under Treaties and Engagements;" or whether the case arose out of the resumption of land for which the Talliaries rendered service, (which they continue to render). In the latter case the charge will be debited to "Allowances to District and Village Officers."

It is stated in the Proceedings of the Board of Revenue, dated 28th July 1862, No. 4,876, that the allowances of Talliaries of Pulicat are payable in lieu of resumed privileges. It would appear therefore that according to the ruling of the Government of India, the charge should be entered in Estimate B, II, "Allowances and Assignments under Treaties and Engagements." The Board expressed an opinion to the same effect in the 2nd para. of their Proceedings above quoted.

2. But as the Government of India, with the Board's Proceedings before them, make the enquiry contained in their letter of the 19th ultimo, No. 956, the Board will be requested to ascertain more fully and report whether the allowances in question were granted in consequence of resumed privileges, or on account of the resumption of land for which the Talliaries rendered service, (which they continue to render).
