Proceedings of the Madras Government, Revenue Department, 13th March 1863.

No. 115. Read the following Proceedings of the Board of Revenue, dated 5th March 1863 :—

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Salem, 27th February 1863, No. 31.

SIR,

1. With reference to my letter to the Board, dated the 21st instant, No. 27, requesting the Board to obtain the sanction of Government to take possession of 2½ Acres of private land on the Shevaroy Hills, required for the Police huts and the Talook Cutcherry, I have the honor to state that I have since been able to select another site for the purpose, the owner of which is willing to part with it at 50 Rupees an Acre. The spot I have now chosen is in a good locality, and in all respects better suited than the other for the purpose. It measures Acres 13 according to the old measurement, and the owner (Mr. Boalth) is willing to give the whole and not a portion only of the whole 13 Acres. I am of opinion that the whole may be purchased not only for the Police huts and the Cutcherry for which it is at present required, but also for any other Government purposes for which it may hereafter be found necessary to obtain land on the Shevaroy Hills. I therefore strongly recommend that the sanction of Government be obtained for purchasing the 13 Acres of land for Rupees 650 which is a moderate and reasonable price, considering the value placed on occupied land at Yercaud, I beg at the same time to withdraw my application for taking Mahomed Moheen's land under Act VI of 1857.

2. In anticipation of sanction, I have requested the District Engineer to commence building the Police huts on the ground.

Ordered to be submitted for the sanction of Government, with reference to the Board's Proceedings, dated 27th February 1863, No. 1,207.
