*Proceedings of the Madras Government, Revenue Department,
14th March 1863.*

No. 142. Read the following Proceedings of the Board of Revenue, dated 18th December 1862 :—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Nellore, 8th December 1862, No. 314.

SIR,

1. I have the honor to acknowledge the receipt of the Proceedings of the Board No. 5,018, directing the Sub-Collector in charge to report fully on paragraph 2 of the orders of Government under date the 30th July last, No. 1,621.

2. The orders of Government note an assertion made by the dismissed Curium of Piduru in his Petition* to the Secretary of State, that no portion of the amount declared to have been unjustly realized by him had been ordered to be refunded to the Ryots though they had applied for it. And the Government desire to be informed whether this is the case.

* Herewith returned.

3. In reply, I have the honor to state that it is the case.

4. The records of my Office do not show that a written application was made, or an order passed in the matter in writing. But there is no doubt that the money is still in deposit; and my impression is, either that I did receive a Petition or that I was asked for the money verbally at the Jamabandi, and I refused to take up the request, because I felt very doubtful how far the remissions I had made and the Curium had improperly collected, had been in themselves rightly made, and were therefore rightly claimable by the parties.

5. I am not prepared however to prove to the contrary. And I propose now to issue the requisite orders.

6. As regards the gross delay in supplying this information, I beg to express my regret. My Sheristadar was called on to supply the requisite information from the accounts; and it was my duty to have seen that he did supply it. For not having supplied it before this the Sheristadar has been reprimanded.

Submitted to Government, with reference to paragraph 2 of the Order quoted by the Collector.
