No. 162. Read the following Proceedings of the Madras Government in the Judicial Department, dated 9th February 1863, No. 207:—

Furnishing copy of an order in the Military Department) (Vide Judicial Proceedings, 9th February
regarding the allowance and establishment of the Joint 1863, Nos. 71, 72.)
Magistrate newly appointed to the Cantonment at Trichy.
nopoly.

No. 163. ORDER THEREON, 16th March 1863, No. 526.

Ordered to be communicated to the Honorable Mr. Peilly. The sanction given in this order will be included in the report about to be sent to the Government of India.

Deputy Secretary to Government.

JUDICIAL DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of Government in the Military Department.

Observing that the appointment of Cantonment Joint Magistrates will be made in that Department on the nomination of His Excellency the Governor, and investing the Officer appointed to Trichinopoly, under Judicial Proceedings, No. 1371, dated 5th December 1862, with Magisterial powers, as well as the other Cantonment Joint Magistrates.

(Dated 17th January 1863, No. 172.)

ORDER THEREON, 9th February 1863, No. 207.

Bellary.
Coimbatore.

Malabar.
Trichinopoly.

The above order in the Military Department will be communicated to the Magistrates of the Districts, named in the margin.

2. A copy of the order will also be furnished to the Revenue Department, as the allowance sanctioned in paragraph 4 for the Officer appointed to Trichinopoly should be included in the Honorable Mr. Pelly's statement, in view to its confirmation by the Government of India.

3. An establishment to cost Rupees 67 per mensem, was also sanctioned for this Officer in Military Proceedings, 4th November last, No. 3797, with the remark that it had been recommended by Mr. Pelly in paragraph 27 of his letter recorded in Judicial Proceedings, 18th July 1862, No. 1136. On a reference, however, to Mr. Pelly's letter it appears that this establishment was only proposed on the supposition that the Officer should continue to have jurisdiction under Regulation VII of 1832, in which case, upon the principle applied to the other Cantonments, it would form a charge on the Military Budget. It is now proposed that the additional establishment required for magisterial work which would properly form a civil charge.

3. It appears to the Governor in Council that the uniform rate of 94 Rupees sanctioned in the Judicial Proceedings cited, for Bellary and Coimbatore, may also be allowed for Trichinopoly. His Excellency in Council is pleased to sanction it accordingly, and to direct as in the case of the other Cantonments, that Rupees 67 be debited to the Military Budget, while the remainder, Rupees 27, will be borne by this Department.

4. Wellington having been re-established as a Military Bazar Station, the Magistrate of Coimbatore will report whether the jurisdiction of the Cantonment Joint Magistrate may be restricted to the Military limits, as has been done in all other cases.
