Proceedings of the Madras Government, Revenue Department,
17th March 1863.

No. 166. Read the following Proceedings of the Madras Government in the Financial Department, dated 3rd February 1863, No. 75:—

Read the following letter from the Honorable E. DRUMMOND, Secretary to the Government of India, Financial Department, to the Chief Secretary to the Government of Fort Saint George, dated Fort William, Council Chamber, the 30th December 1862, No. 1,477G.

Sir,

I. Your letters, Nos. 716 and 752, dated respectively the 10th and 24th October last, the first, forwarding the Statements of charges on account of Salaries, Establishments, and Contingencies, sanctioned by the Government of Madras within the amount of the Budget grants for 1862-63, during the months of July and August last, and the 2nd, the similar Statement for September last, having been laid before His Excellency the Governor General in Council, together with the Statements for the same periods received from the Civil Paymaster, Madras, through the Deputy Auditor and Accountant General of that Presidency, I am directed to communicate the following observations and orders.

Statement for July 1862.
* Should be No. 11, as correctly entered in the Civil Paymaster's Statement.

2. I. Items 1, 2, 3, 5, 9, and 10* of this Statement, appertaining to establishments included within the scope of Mr. Pelly's scheme for the revision of Revenue Establishments, do not call for any orders at present. The promised report on the general measure is awaited.

II. Item 4 refers to the contingent allowance of 5 Rupees a month, sanctioned for the Meriah School at Ooperbhago in Ganjam. Under the circumtances stated in the column of remarks, His Excellency in Council confirms the sanction given by the Government of Madras.

III. Item 6 relates to the grant of an allowance of Rupees 100 a month to the Reverend Mr. Pope, for the spiritual charge of the European Jail at Ootacamund. This subject having been separately submitted for consideration, remarks on it are here unnecessary.

IV. The orders sanctioning the establishments numbered 7 and 8 are confirmed; but these items cannot be admitted as *permanent* charges in the Budget Estimate of 1863-64, until the Government of India shall have been put in possession of further details in either case.

V. The charge* marked 10 in the Civil Paymaster's Statement, which by some misprint has been omitted from enumeration in the Government list, is allowed to appear a permanent charge in the Budget for 1863-64, as requested in paragraph 2 of your letter of the 24th October last.

* Rupees 5-4 on account of a Peon for the Secundurabad Chaplaincy Church at Trimulghetry.

Statement for August 1862.

3. I. The 1st item of this Statement relates to the grant of travelling allowance to the Assistant Conservator of Forests at a fixed rate of Rupees 90 a month in lieu of Rupees 5 for each day actually spent in travelling. The Governor General in Council prefers the daily rate; but before final orders are passed, the Civil Paymaster, Madras, will be called on for a Statement showing the amount of travelling allowance drawn by the Assistant Conservator during the previous twelve months.

II. No orders can be passed on item 2, until the revised Tabular Statement required by letter from the Home Department, dated 12th September last, has been submitted.

III. In regard to item 3, I am to request you to submit a full report as to the necessity for the permanent retention of the four additional Gomastahs and 2 Attendants, sanctioned temporarily for the Zillah Court at Calicut.

IV. Item 4. The increases sanctioned to the salaries of the Store-keeper and Assistant Store-keeper in the Store and Workshop, Central Office, Department Public Works, are confirmed as *personal* allowances, there seems no reason why the original salaries should not be reverted to when the present incumbents vacate their respective offices.

V. Item 5. Orders on the charge shown in this item will be communicated hereafter in connection with Mr. Chief Secretary Arbuthnot's letter to the Home Department, No. 312, dated 30th October 1862.

VI. Item 6. The arrangements sanctioned for the Office of the Railway Consulting Engineer are confirmed, on the understanding that the increase to the Uncovenanted Assistant's salary is to be regarded as a personal allowance.

VII. Item 7. The temporary increase of 56 Rupees a month on account of 8 additional Warders for the Zillah Jail, Salem, is confirmed, but further explanation is necessary to enable the Government of India to judge of the necessity for its recognition as a permanent charge in the Budget for 1863-64.

VIII. The establishment on account of the Madras Pier, shown as No. 8, is allowed, and the item may be included as a permanent charge in the Budget for 1863-64.

IX. Item 9 relates to the allowance sanctioned for the Reverend Mr. Coultrup, in consequence of his being placed in spiritual charge of Tranquebar. The Governor General in Council confirms the sanction issued by the Madras Government, but requires further explanation before allowing permanency to the charge.

X. Items 10, 11 and 12. These charges are severally admitted to sanction, and the two latter may further be included in the Budget for 1863-64 as permanent. In regard, however, to item No. 12, the Government of India desires to be informed what saving was effected by the abolition of the subordinate Court at Madura.

XI. Item 13. In confirming the sanction given to this item, His Excellency the Governor General in Council remarks, that the necessity for a Goomastah on Rupees 20 should have been explained, and wishes to be informed whether the establishment cannot be reduced. Pending the receipt of this information, His Excellency in Council defers passing any orders as to the permanency of the charge.

XII. Item 14 forming part of Mr. Pelly's scheme of revised Revenue Establishments, requires no immediate orders.

XIII. The sanctions reported in items 15, 16 and 17 are confirmed.

4. I. Item 1 (marked 2 in the Civil Paymaster's Statement for September 1862. Statement.) The appointment of Mr. Furnell, as Consular Agent at Mahé, on an allowance of 50 Rupees a month has already been sanctioned by the Government of India, in the Home Department and the necessary orders from this Department duly issued to the Civil Paymaster, Madras, under date the 13th October last.

II. Item 2 (3 in Civil Paymaster's Statement). The same orders apply to the grant of Rupees 100 a month to the Reverend Mr. Caemmerer, as have been above issued in the analogous case at Tranquebar, No. 9 of the August Statement.

III. Item 3 (4 in the Civil Paymaster's Statement). The transfer to the new Church at Black Town of the establishment of the old Church there, and the entertainment in the old Church of a reduced establishment, have been already sanctioned, with some slight modification, by Resolution in this Department, No. 882, dated 4th November last. The charge may be regarded as permanent.

IV. Item 4 (11 in the Civil Paymaster's Statement). The charge sanctioned by the Government of Madras is confirmed as a temporary measure, pending report on the general scheme for imparting a knowledge of European Medical Science to the Native Medical Practitioners and Midwives in the Provinces.

V. Item 5 (same in the Civil Paymaster's Statement). The sanction reported in this item is confirmed.

VI. Item 6 (same in the Civil Paymaster's Statement). The grant of Horse allowance at 15 Rupees each a month to two Overseers employed in the Neilgherry Scholas is confirmed, and the charge may be included as a permanent one in the Budget for 1863-64.

VII. Items 7 and 8 (same in the Civil Paymaster's Statement), which belong to the general revision of establishments undertaken by Mr. Pelly, require no orders at present.

VIII. Item 9 (10 in the Civil Paymaster's Statement), relates to the employment of a Dresser on 35 Rupees a month in the Office of the Head Assistant Collector of the Tinnevelly District. This charge has already formed the subject of a correspondence* conducted through the Home Department of this Government. Upon the explanation now furnished by the Madras Government, the Governor General in Council confirms the charge in question, and authorizes its being included in the Budget for 1863-64 as permanent.

* From Home to Financial Department, No. 501, dated 27th January 1862, being Endorsement on Madras Government's letter, No. 7, dated 6th ident, and enclosure.
From Financial to Home Department, No. 796, dated 3rd February 1862.

IX. Item 10 (9 in the Civil Paymaster's Statement). The Civil Paymaster reports this charge as part of Mr. Pelly's scheme. Should it be so, the same order applies as has been above issued on other portions of the same project. The charge, pending the receipt of the general report promised, cannot be admitted as permanent.

X. Item 11 (1 in the Civil Paymaster's Statement). The arrangement reported in this item is confirmed.

Ordered, that a copy of the above letter be forwarded to the Civil Paymaster, and the Deputy Auditor and Accountant General, Madras, with reference to their respective letters, Nos. 497, and 3,934, dated 24th and 23rd October last, and with an intimation addressed to the former Officer, that beyond furnishing the Statement contemplated in the first Clause of paragraph 3, further information is required of him.

I. Resolved that a copy of the foregoing letter and the Statements therein referred to be furnished to the several Departments to which the charges relate, for information and for the issue of such orders as may be necessary.

2. Ordered that Clause VI of paragraph 3 be communicated to the Consulting Engineer for Railways, with reference to the sanction granted in the Financial Railway Department, under date the 7th of August last, No. 417.

No. 168. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Honorable E. DRUMMOND, Secretary to the Government of India, Financial Department, dated 17th March 1863, No. 529:—

SIR,

1. In acknowledging the receipt of your letter dated 30th December 1862, No. 1,477G. communicating the orders of the Government of India on the Statements of sanctions granted by this Government within the amount of the Budget grants during the months of July, August and September 1862, I am directed to submit for the consideration of that Government the following observations in reference to the items in those Statements noted in the margin.*

* Nos. 7, 8, and 10 of the Statement for July.
No. 13 of do. for August.
No. 10 of do. for September.

† STATEMENT FOR JULY.

	Rs.
No. 7. Conservancy Establishment for the Nallamallay Forests, Kurnool	255
No. 8 Do. for the North Arcot Forests	44

2. In Clause IV of paragraph 2, the Government of India confirm the orders sanctioning these establishments,† but remark that the items cannot be admitted as *permanent* charges until further details in either case are furnish d.

3. The Nallamallay range of hill and forest, I am directed to explain, was explored by t present Officiating Conservator only in last year. They embrace an area of about 70 miles length, and nearly 20 in the widest part, and contain much valuable forest. The demand for timber in the District is increasing, and when the canals of the Irrigation Company are finished, and means of access to markets thus afforded, a valuable trade with Madras and the Eastern Coast must spring up. These forests, in which much destruction was stated to prevail, have therefore been brought under conservancy; and the measure has been approved by the Secretary of State in his Despatch dated 23rd October 1862, No. 46. The establishment sanctioned for the purpose costs Rupees 255 a month. The revenue at the date of Captain Beddome's report was about Rupees 10,000, but as he proposed to stop the felling of Teak saplings, he expects a present *net* revenue of Rupees 7,000; the forests meanwhile yearly increasing in value, instead of decreasing as they then were.

4. The North Arcot jungles were formerly under the Revenue authorities of the District. The Officiating Conservator after visiting these forests reported that they were similar to the adjoining Cuddapah forests which had previously been brought under conservancy; that the two forests were one and the same jungle and on the same hills, the only difference being that they were in different territorial limits, and that the North Arcot portion had been more felled in, owing to their proximity to Madras, and to the seigniorage being lower than in the Cuddapah District. Captain Beddome's recommendation that the same Rules should be put in force in both these forests and that they should be placed under the same Officer was therefore adopted. The revenue expected from the two forests conjointly during 1863-64 is estimated at Rupees 10,000. Of the sum of Rupees 299 sanctioned on account of the two establishments in question, Rupees 177 was met out of a saving to that amount effected by this Government in the sanctioned cost of the Cuddapah Establishment; the remainder Rupees 122 only being the monthly extra charge as shown in the margin.‡ The correspondence on the subject of the establishments referred to is enclosed.§

5. As to item No. 10 of the Statement for July, referred to in Clause I of paragraph 2 of your letter under reply, viz., two Postal runners for North Arcot, I am to observe that this item was included in the tabular Statement of the General District Postal scheme submitted with my letter of 11th December 1862, No. 2,583, and was specially referred to in paragraph 16 of that letter.

6. The Government of India (Clause XI of paragraph 3) confirm the sanction given to this item,* but prior to passing orders respecting the permanency of the charge, they require explanation as to the necessity for a Gumashta on Rupees 20, and also wish to be informed whether the establishment cannot be reduced. The Gumashta here referred to was sanctioned by this Government in February 1862 on the representation of the Conservator that the services of such a servant were absolutely necessary in consequence of the increase of operations in the Wynad forests. All that had hitherto been done in these forests was to guard against clandestine felling and selling dry ringed Teak. Captain Beddome has recently proposed to work the forests systematically, and an application for increasing the cost of the establishment from Rupees 149 to Rupees 212 per mensem is now before the Government of India.† He states that a good return may be looked for from the proposed measure, as there is a ready market for Teak, and has estimated the Revenue for 1863-64 at Rupees 42,000. The Government, however, not deeming it safe to reckon in the first year on such largely increased sales as the Acting Conservator expected, have set down the receipts of these forests at Rupees 30,000 in the Budget for the ensuing year.

* STATEMENT FOR AUGUST.
No. 13. Conservancy Establishment for the Wynad Forests, Rupees 149.

† To Government of India, 8th January 1863, No. 29.

7. With reference to Clause IX of paragraph 4 of your letter under reply, I am directed to state that this item‡ does not form part of Mr. Pelly's scheme, as supposed by the Civil Paymaster. The correspondence§ which has taken place on the subject of the charge is herewith forwarded.

‡ STATEMENT FOR SEPTEMBER.
No. 10, Increase to the Establishment of the General Stamp Office Madras, Rupees 152

§ G. O. 16th September 1862, No. 3,002.

8. Under the explanation now furnished I am desired to request the sanction of the Government of India for the items referred to in paragraphs 2 and 7 of this letter being entered in future Budgets as permanent charges. As to the Conservancy Establishment for the Wynad forests, noticed in paragraph 6, the Government await the orders of the Government of India on my letter dated 8th January 1863, No. 29, already adverted to.

VII. Item 7. The temporary increase of 50 Rupees a month on account of 8 additional

In regard, however, to item No. 12, the Government of India desires to be informed what saving was effected by the abolition of the subordinate Court at Madura.

XI. Item 13. Whatever plan may be suggested, it will be tried, in the first instance, on a limited scale, selecting two or three Districts where, as in Cuddapah, the local Officers, both Civil and Medical, have shown a practical interest in the matter. The Governmentsubsequently learned that 14 Candidates (Female Students) had placed themselves under the tuition of the Native Surgeon at Cuddapah in Midwifery, and that the result of the examination recently passed by them, as reported by the Zillah Surgeon, had been most satisfactory; and, as an encouragement to Native females to pursue the study of this branch of the Medical profession,

Horse allowance to 2 Overseers at 15 Rs. each, employed in the Neilgherry Sholas...	30 0 0	30 0 0		This allowance, which was represented to be necessary in consequence of the small salary received by the Overseers, viz., Rupees 35 each, was first sanctioned by this Government in November 1860, since when it has always been drawn by the Overseers, and is provided for in the Budget. The present sanction became necessary in consequence of the allowance having been erroneously omitted to be included in the revised scale for the Forest Department, sanctioned by the Government of India on 3rd May 1862.
