*Proceedings of the Madras Government, Revenue Department,
18th March 1863.*

No. 194. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 17th March 1863, No. 782:—

Sir,

1. In compliance with the Order of the 16th instant, No. 527, on the letter from the Under Secretary to the Government of India of the 3rd instant, No. 1,387, I have the honor to inform you that the "Jason" having been abandoned to Lloyds' Agent, application was made to them for the purpose of ascertaining whether there was any Government cargo on board or not. They replied that they could only find Bills of Lading for 132 boxes of water-marked paper consigned to the Supreme Government.

2. These were landed a day or two after the vessel grounded, without the intervention of any Government Officer, although an Officer of the Master Attendant's Department was on board for several days, affording general assistance.

3. The cases being in the possession of the Agents for Lloyds they were permitted to send them to Calcutta with other cargo saved.

Ordered that the following letter be despatched.

No. 195. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to J. W. S. WYLIE, Esq., Under Secretary to the Government of India, Home Department, dated 18th March 1863, No. 543.
