Proceedings of the Madras Government, Revenue Department, 19th March 1863.

Read the following :—

No. 204. Proceedings of the Board of Revenue, dated 14th March 1863.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Indukurupett, 7th March 1863, No. 56.

SIR,

1. I have the honor to acknowledge the receipt of the Board's Proceedings of the 24th ultimo, No. 1,094, and state that the exhibition of the improved Churka Gin would, in my opinion, be extremely useful in this District, and it would be a great advantage if the Board could kindly procure one of these Churkas in time for the agricultural show to be held at Nellore on the 20th and 21st proximo.

2. I would also beg that a man may be sent up able to work the machine, as I believe that it is only when the Gin is seen working that it can be understood and appreciated by the people.

3. I also take this opportunity of requesting the Board's sanction for the expense that may be incurred in the conveyance of two cooly loads of Cotton from Dharwar here, and as Saw Gins are not very expensive, I beg to repeat the request made in my letter of the 17th January 1863, No. 13, that I may be permitted to purchase and exhibit a Saw Gin with the Churka, as the Saw Gin, the Board observe, is indispensable for the New Orleans Cotton, and if the new Orleans I am about to introduce into the District, should be a success as regards cultivation, it is only with the aid of the Saw Gin I can hope to make it a success as regards realizing on the crop grown.

1. Ordered to be submitted to Government in continuation of the Board's letter dated 21st February 1863, No. 1,048.

2. The Board recommend that a Saw Gin be obtained from Bombay in addition to the improved Churkas already applied for, and be placed at the disposal of the Collector of Nellore.

3. The cost of carriage of American Cotton seed from Dharwar can be charged in a Contingent Bill.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Madura, 9th March 1863, No. 50.

SIR,

1. In reply to the Proceedings of the Board of Revenue No. 1,074, dated the 23rd February, I have the honor to report that the only machinery in use in the Madura District for cleaning Cotton is the common wooden Churka worked by the hand, valued at one Rupee, and that the only Cotton grown in the District and cleaned by it, are the ordinary Native sorts.

2. I beg to recommend Government be advised to furnish me with four of Dr. Forbes' improved Gins on the Churka or Roller principle which I would exhibit as follows :—One in the Collector's Office at Madura, the others in the Sub-Magistrate's Cutcherries at Tirumungalum, Palany and Tiroochuly, three centres of the Cotton trade.

Ordered to be submitted to Government in continuation of the Board's letter and Proceedings dated 21st February 1863, No. 1,048, and 14th March 1863, No —, and with the request that three more specimens of the improved Churka may be obtained from Bombay for exhibition in the Madura District.
