Proceedings of the Madras Government, Revenue Department, 21st March 1863.

No. 220. Read the following letter from W. ROBINSON, Esq., Inspector General of Mofussil Police, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 17th March 1863, No. 643 :—

SIR,

1. I have the honor to acknowledge the receipt of Government Order No. 284, dated 9th February 1863, Revenue Department, requiring me to state whether the duty of maintaining a proper preventive Establishment on the land frontier of foreign State can be undertaken in connection with the Police or not.

2. I beg to state that I think it can ; and that, in connection with the frontier Police Station and under the supervision which works the Police such preventive duty will be more effectively performed than in any other way.

3. The duty requires increased Establishments and cannot be done by the General Police but must be a separate appropriation.

4. I have carefully examined the Statement prepared by Mr. Pelly and the proposed guards.

Pygust, 31 at a cost of Rupees 2,004.
Peons, 197 at do. " 14,184.

5. He estimates as per margin for guards, &c.

6. The Pygusts will be required as office attenders and weighers.

7. I append a Statement of the probable requirements in each frontier to be guarded. It is impossible to state how far each petty station will be kept up until the organization of the service and minute examination of the details of beat, &c., and adjustment of the neighbouring Police Stations enable the Superintendent of Police to see how to dispose of his force in the most effective manner.

No. 221. ORDER THEREON, 21st March 1863, No. 556.

1. Mr. Pelly's recent scheme for the revision of the Land Customs Establishment of this Presidency provided for both Collecting and Preventive establishments; and in reviewing that scheme the Government in Proceedings 9th February 1863, No. 284,* requested the Inspector General of Mofussil Police to state whether he could undertake the preventive duty.

* Paragraph 8.

2. To this reference the Inspector General now replies in the affirmative, and he submits a Statement of the probable requirements in each Frontier to be guarded. This Statement does not specify the monthly pay intended to be assigned to each member of the Establishment in question ; and as this is necessary, it will be returned to the Inspector General in view to an amended one containing these particulars being prepared and forwarded without delay.

3. As the six boatmen provided in Mr. Pelly's scheme for the Godavery and Malabar Districts form part of the preventive force, the Government wish to be informed whether Mr. Robinson can undertake the supervision of these servants.

4. Mr. Pelly's attention is requested to paragraph 6 of Mr. Robinson's letter, and he will be desired to state whether any and what number of office attenders and weighers are required.

5. Early replies are requested to this Order.

(Signed.) J. D. SIM,
Secretary to Government.

Ordered that the following letter be despatched.

No. 222. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, Department Public Works, dated 21st March 1863, No. 557 :—

SIR,

1. In my letter dated 8th January 1863, No. 29, application was made for sanction to a revised scale of Establishment for the conservancy of the forests in the South Canara District at an additional cost of Rupees 227 per mensem. These forests are at present in charge of an Overseer on Rupees 110 a month, and in the scale referred to above no change was proposed to be made in that respect ; but on a recent representation* from the Officiating Conservator of Forests the Government have come to the conclusion that the District from its importance should have a Sub-Assistant Conservator in charge of its forests which are valuable and extensive. The pay and travelling allowance of this Officer, as in other similar cases, will be Rupees 180† a month ; but the additional expense, viz., Rupees 70 per mensem, I am directed to observe is more than covered by the saving of Rupees 130 per mensem which, as will be seen from the papers noted in the margin,‡ has recently been effected in the Conservator's Office.

Travelling allowance 30
180

‡ From Officiating Conservator, 7th March 1863, No. 425. Proceedings of Government, 13th March 1863, No. 506.

2. The cost of the present Establishment is Rupees 207-8-0, while that of the revised scale including the alteration now proposed will be Rupees 504-8-0, being an excess of Rupees 297 per mensem, for which sum under the circumstances explained I am directed to request the sanction of the Government of India with effect from 1st May next. This additional charge, I am to add, can be met out of the Budget for 1863-64.

3. A tabular Statement, in substitution of that portion of the Statement forwarded with my letter of 8th January which referred to South Canara, is enclosed.
