(In Cons. 5th March 1863, No. 1,365.)

Read also the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 7th March 1863, No. 754 of Fasli 1272.

SIR,

1. With reference to the Proceedings of the Board of Revenue, dated the 6th instant, I have the honor to forward the usual Tabular Statement on account of the temporary establishment applied for to carry out the additional work consequent in the issue of the water-marked paper for Stamps.

2. The charge on the above account for 1862-63 can be met from the Stamp Budget Estimate for that year from the saving effected in the Superintendent's salary, which was entered in the Budget at 1,000 Rupees per mensem, while only Rupees 4,333-5-4 have been disbursed from May 1862 to February 1863.

12,000 Rupees per annum.

3. The charge for 1863-64 may be met from the sum of Rupees 5,000 provided for contingent charges in the Budget Estimate for 1863-64.

Ordered that the above papers be submitted to Government with the Board's recommendation that the temporary assistance sought by the Superintendent of Stamps be granted in consideration of the importance of effecting the issue of the water-marked stamped paper with the least possible delay. The charge can be met from the Budget provision for the current and next ensuing official years.

Proceedings of the Board of Revenue, dated 6th March 1863.

Read the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 5th March 1863, No. 741 of Fasli 1272 :—

1. I have the *honor to report that* having commenced to Stamp the new water-marked paper for the approaching issue, I find it necessary in consequence of the extra work, beyond the ordinary quarterly stamping, of supplying the Districts with reserve stocks in lieu of the old issues that are to be withdrawn, to ask permission for the temporary employment, say for six months, of six extra hands as per margin. Besides the stamping, there is also the careful counting and folding requisite with the *water-marked* paper, the delivery of it at the Mint, and the receiving of it back, which under the present press of work combine to render additional hands needful.

2 Counters at Rs.14, 15
4 Workers, @ 7 each.

2. Under these circumstances I trust that the Board will be disposed to sanction my application.

The Superintendent of Stamps will please to submit his application in the prescribed tabular form, and state from what item or savings in the Budget Estimate the proposed charge can be met.

Secretary.
