Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
25th March 1863.*

No. 262. Read the following Office Memorandum from Lieutenant-Colonel J. P. BEADLE, R. E., Officiating Secretary to the Government of India, to the Secretary to the Government of Fort Saint George, Revenue Department, dated Public Works Department, Fort William, 25th February 1863, No. 917 :—

1. The undersigned, with compliments to the Secretary to Government, Fort Saint George, (Revenue Department,) begs to enquire whether there are any comprehensive reports on the Conolly Teak Plantations of Nellumboor, embracing, among other things, data showing the areas covered with the plantations of different years' growth, and the total amount expended on these plantations year after year since its commencement in 1843, with the average rates of wages paid.

2. Specific information on these heads, if it can readily be afforded, would be very acceptable, and would serve to assist the Government of India in considering matters relating to Forest Management and Conservancy generally; and the experience to be derived from the management of the Nellumboor Forests would enable the Government of India to frame plans for the formation of other plantations on this system in other parts of India.

3. The undersigned also requests the favour of being furnished with a copy of the Sketch Map of the plantations, which is referred to in paragraph 2 of Madras Government Order No. 1,553 of 5th August 1861.

(Signed) J. P. BEADLE, Lieut.-Colonel, R. E.,
Offg. Secy. to the Govt. of India.

No. 263. ORDER THEREON, 25th March 1863, No. 577.

Resolved that the Acting Conservator of Forests be requested to report at an early date if there is any paper of the description given in paragraph 1 of this letter among the records of his office or among those of the Collector, and, if so, to submit a copy thereof. The papers recorded in the Proceedings of Government dated 5th August 1861, No. 1,553, contain much valuable information about the Nellumboor Plantations but not on all the points specified by the Government of India, and those papers are already before them. Captain Baddome will also furnish a copy of the map alluded to in paragraph 3.

(Signed.) J. D. SIM,
Secretary to Government.
