*Proceedings of the Madras Government, Revenue Department,
25th March 1863.*

No. 272. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 18th March 1863, No. 20:—

SIR,

I beg to inform you that the Tea Manipulators have brought no sieves with them, they are urgently required, and I understand can be procured in the market at Calcutta; you will, ere this I hope, have received a Telegram from me, requesting that a supply of sieves may be ordered from Calcutta by Telegram in time to be sent to Madras by the next Steamer. From what Mr. Rae who called here to-day told me, I understood that the Manipulators were taken to a shop in Calcutta, and told to point out what things they would require, that they amongst other things pointed out some sieves, and that they thought they had been sent, and that it was not until after their arrival here that they became aware of the fact that the sieves had not been sent. Whether the people in Calcutta omitted to send them or whether they were sent and have been lost in transit, I cannot say, but it is of the utmost importance that the sieves should be supplied with the least practicable delay.

No. 273. ORDER THEREON, 25th March 1863, No. 582.

Recorded, with reference to the Telegram to the Government of India, dated 18th instant.

(Signed) J. D. SIM,
Secretary to Government.
