Proceedings of the Madras Government, Revenue Department, 26th March 1863.

No. 283. Read the following Proceedings of the Board of Revenue, dated 19th March 1863 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Tinnevelly, 7th March 1863, No. 98.

SIR,

The Superintendent of Pearl Banks at Tuticorin reports to me that the Civil Paymaster objects to pass the full amount of his salary, viz., Rupees 350, on the plea that the increase of Rupees 50 sanctioned by Government in their Order No. 142, dated 30th January 1862, has not yet been confirmed by the Supreme Government. I have therefore the honor to request the Board will be pleased to obtain the early sanction of Government for disbursing the increased salary under the head of "Advance" to be adjusted hereafter on the sanction of the Government of India being obtained for the same.

1. Ordered to be submitted to Government with the Board's recommendation that the Collector be authorized to disburse to the Superintendent of Pearl Banks at Tuticorin the increased salary of 50 Rupees per month from 1st January 1862, as an advance to be adjusted after the receipt of the sanction of the Supreme Government. From the Order of the Government, dated 16th September 1862, it appears that the sanction of the Government of India was applied for on that date, but it has not yet been communicated to the Board.

2. The Collector will report whether the increase of pay disbursed to the Superintendent from 1st March to 31st December 1861, was recovered from him agreeably to the orders of Government, dated 4th November 1862, No. 2,316, communicated to the Collector with the Board's Proceedings dated 6th idem, No. 7,314.
