No. 311. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Marine Department, Fort Saint George, dated Madras, 19th March 1863, No. 793 :—

SIR,

1. I have the honor to forward the accompanying letter from the Collector of Trichinopoly just received, relative to Mr. Farmer, the Sub-Marine Diver, who appears to be disinclined to continue his journey towards Tuticorin.

2. Mr. Farmer's habits are so intemperate that unless there is still great need of his services on the Pearl Banks, it appears t me expedient that he should be discharged from public employ unless he has already rejoined the Pearl Bank establishment at Tuticorin.

From M. J. WALHOUSE, Esq., Acting Collector of Trichinopoly, to J. J. FRANKLIN, Esq., Superintendent of Marine, Madras, dated Moosery, 14th March 1863, No. 9.

SIR,

With reference to your letter of the 6th instant, No. 648, in which you advised me of the coming of Mr. Farmer, a Sub-Marine Diver, whom your described as urgently required at Tuticorin whither he was to be forwarded with the least possible delay, I think it necessary to inform you that Mr. Farmer arrived at Trichinopoly on the 8th instant, where bullocks had been posted and arrangements made in communication with the Collector of Madura for his speedy transit. I am informed however that up till yesterday he had not left Trichinopoly, where he expresses his intention of staying as long as he pleases, and that he contemplates being married. Of course I have no authority over Mr. Farmer, and being out at a distance in the District on circuit cannot communicate personally with him ; the bullocks posted for him, after waiting for three days, have returned. I would suggest, if it appears expedient, that you should communicate with Mr. Farmer by telegraph.

Transferred to the Revenue Department.

(Signed) P. P. HUTCHINS,
Deputy Secretary to Government.

No. 312. ORDER THEREON, 31st March 1863, No. 600.

The Government consider that mere dismissal would be an inadequate punishment for such misconduct. Mr. Farmer will be suspended from the date on which he ought to have quitted Madura, and the Collector of Tinnevelly will forward a copy of the terms of his Agreement when final orders will be passed.

(Signed.) J. D. SIM,
Secretary to Government.
