*Proceedings of the Madras Government, Revenue Department,  
1st April 1863.*

No. 9. Read the following Proceedings of the Board of Revenue, dated 18th March 1863:—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chatterpore, 7th March 1863, No. 37.

SIR,

With reference to Rule 3 for the sale of unassessed waste lands annexed to the Order of Government, dated the 6th December last, No. 2,553, communicated with the Board's Standing Circular No. 8,115 of the 13th idem, I have the honor to solicit the instructions of the Board as to what should be considered the minimum extent of land to be sold under these rules. It does not seem desirable to fix a low minimum lest we should invite a class of almost pauper proprietors. I would suggest 50 Acres.

Ordered to be submitted for the decision of Government.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, *Secretary.*

No. 10.

ORDER THEREON, 1st April 1863, No. 607.

The Government do not see the necessity at present of any minimum.

(Signed) J. D. SIM,

*Secretary to Government.*

No minimum appears to be necessary  
as we can charge up for collection,  
when not set for order.

or Order.

The only point on which  
a minimum is desirable is  
that it will save the infi-  
nite bother & trouble which  
applications from every one  
who could scrape a few wheels  
together would involve. Looking  
at our present holdings a mi-  
nimum of 10 acres would be ample  
for agricultural purposes - while  
none could well be fixed for building  
land. Will not fix any minimum  
or wait till experience shows its  
necessity J.D.S.
