No. 11. Read the following Proceedings of the Court of Wards, dated 18th March 1863, No. 1,621:—

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Court of Wards, dated Calicut, 23rd February 1863, No. 34.

SIR,

1. Adverting to the Board's Miscellaneous Circular dated 15th September 1862, No. 6,144, I have the honor to report that the only Minor in my District is the son of the late Nelealam Arasu, a child of about eight years of age.

3. I saw the Minor, who is an intelligent little boy, but whose education would be entirely neglected by his relations if an eye was not kept on them. A teacher of Malayalam is entertained on Rupees 4 per mensem.

4. The present returns of estimate would not provide for this Minor's removal to the Presidency, and indeed he is rather young for being sent to such a distance; and caste prejudices would probably be difficult to overcome.

5. I thought at one time of having him brought to Calicut, but besides that I cannot hear of any of his caste people in or near the town; the coast climate is notoriously unfavorable to the Natives of his part of the country.

6. I have written to Mr. Grant to inquire if any arrangement could be made for his residence at Ootacamund, where he would be in a bracing climate and might attend a good school. If any thing feasible opens I will report to the Board, but meantime I think the child must continue where he is, and perhaps had better do so for a year or so longer.

1. Ordered to be submitted to Government, with reference to their Proceedings under date the 19th August 1862, No. 1,755.

2. The Court of Wards entirely concur in the opinion expressed by Mr. Ballard in the foregoing letter that the trifling income derived from the Estate of Nelealam amounting to less than 300 Rupees per annum quite precludes any large outlay on the education of the Minor proprietor. The Court will however await the Collector's further report.

No. 12. ORDER THEREON, 1st April 1863, No. 608.

The Minor is too young to be removed to a greater distance from his family than Ootacamund. The Government will await the further report promised by the Collector.
