Proceedings of the Madras Government, Revenue Department, 1st April 1863.

No. 18. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 27th March 1863, No. 368/26:—

SIR,

1. In paragraph 2 of my letter of the 2nd December 1862, No. 1,469, applying for the services of Deputy Collector, A. Sudarasana Row, attached to the Inám Commission, I proposed that he should receive for the present the salary of his grade as Deputy Collector, and in addition the usual batta when on circuit. The Deputy Collector joined the Settlement Department on the 1st January and quitted it on the 19th instant, and having been employed during the whole period at the head quarter station of Masulipatam, he has received his salary only at the rate of Rupees 250 per mensem. He has now applied to me to be allowed during the period of his employment in the Settlement Department, the permanent travelling allowance of Rupees 3 per diem, which he would have received had he remained in the Inám Commission, admitting at the same time that if his appointment in the Settlement Department had been permanent, he would have had no claim to the allowance.

2. Had the Deputy Collector's employment in the Department been of longer duration, I should not have felt disposed to support his application, but considering the brief period of his entertainment, and that in fact he only did duty under me for a couple of months on his way from Ganjam to Madura, I think he may fairly be permitted to draw the allowance which he would have received in the Inám Commission, and as the Budget of the Department will admit of the charge, I have the honor to request authority for the disbursement.

No. 19. ORDER THEREON, 1st April 1863, No. 611.

The Government are unable to comply with Mr. Master's request.
