Read the following papers:—

No. 20. From W. ROBINSON, Esq., Inspector General of Mofussil Police, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 24th March 1863, No. 743.

SIR,

1. I have the honor, as required by Government Proceedings No. 556, dated 21st instant, Revenue Department, to forward an amended Statement (exhibiting monthly rates of pay) of the cost and numbers of the Constabulary needed for the Land Customs in the several Districts.

2. The six Boatmen have also been included, their supervision will be also undertaken.

No. 21. From the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 26th March 1863, No. 1,490.

SIR,

1. Adverting to paragraph 4 of the Order of Government dated 21st March 1863, No. 556, requesting me to state with reference to paragraph 6 of Mr. Robinson's letter whether any and what number of Office attenders and weighers are required, I have the honor to state for the information of Government that the Pygusts provided for in my scheme were intended simply to exercise control over the Peons placed as guards at different localities. As the guarding will in future be undertaken by the Police, the services of Pygusts are no longer required.

2. It will however be necessary to provide the frontier stations with a few Peons as Office attenders to remain with the Ameens to assist in weighing and doing the office work, every station must I think have one Peon however small it is, and there should generally be two to allow of absence, and at the larger stations where there is an out-station attached, I have allowed three Peons for this purpose. The whole number that seems to me necessary is 35, at an annual cost of Rupees 2,520. I beg to submit a Statement showing the cost of the revised Establishment as now proposed, exclusive of the Preventive Establishment. The number and cost of the Peons required under the altered plan are also shown in the Statement. The result will be as follows:—

		Rs.
Cost of the revised Establishment formerly proposed by me.....		27,564
Deduct amount of Preventive Establishment.		
31 Pygusts	2,604	
197 Peons	14,184	
		16,788
		10,776
Add cost of 35 Peons required as Office attenders at Rupees 6 per month...		2,520
Cost now proposed per annum.....		13,296

No. 22. ORDER THEREON, 1st April 1863, No. 612.

1. The scheme submitted by Mr. Pelly on the 5th January last for the revision of the Land Customs Establishment of this Presidency involved an annual charge of Rupees 27,564. Since that date various alterations have been suggested by the Inspector General of Mofussil Police and Mr. Pelly, with reference to the Proceedings of Government noted in the margin,* whereby it is observed the cost will be reduced to Rupees 25,521 as particularized below.

* 9th February and 21st March 1863, Nos. 284 and 556.

(Here enter 26 — — ditto 760)

1. The scheme submitted by Mr Pelly on the 5th January last for the revision of the Land Customs Establishment of this Presidency involved an annual charge of Rs 2,70,05. Since that date various alterations have been suggested ~~in the scheme~~ by the Inspector General of

Mr Pandit

2. In para 7 of the Corps of Feby 1863 No 284 the Govt remarked that the pay of the Sweepers as fixed by Mr Pelly viz Rs 5, was unnecessarily high; but on further consideration they are of opinion that the services of this class of servants as well as of the Sheroffs are necessary, and that the provision made for the purpose, viz Rs 2100 should be wholly omitted.

The new scheme of the Establishments in question, the cost of which will thus be still further

reduced to Rs 23421 per annum, will be submitted to the Govt of India, with the recommendation of this Govt that sanction may be granted for its introduction from 1st May next.

Sir

1 With reference to para
19 of my letter dated 11th April
1862 No 813 I am directed to
forward for the favorable con-
sideration and order of the
Govt of India the papers
noted in the margin relating
to ~~scheme~~ for the revision of
the Land Customs Esta-
blishment of this Presidency.

whose frontiers have to be

of Travancore on the sides of the Madura and Tinnevelly districts.

3 The existing Establishment costs Rs 13,352 per annum, being 8½ per cent on the revenue of Fusly 1270 (A.D. 1860/61) Rs 1,56,000. A reference to the accompanying Tabular Statement will satisfy the Govt of India of the insufficiency of the salaries now given; the best paid officer (at Lanna-mungalum station in Tanjore) collecting a revenue of Rs 5,000 receives only Rs 28 monthly, and the salaries run from that sum down to 7 Rs. One Ameen (at Madelaput in South Arcot) who collects 3,000 Rs gets 20 Rs monthly. It is impossible

impossible to say how much Revenue is lost to the State when its collection is entrusted to such miserably paid officials.

4 The revised scheme will cost Rs 10,764 for collecting, and Rs 12,657 for preventive establishments, or together Rs 23,421 per annum, being nearly double the expense of the present establishment and 15 per cent on the revenue.

5 This is a very large increase, but the highest rate of pay proposed in the new

new scheme is only Rs 10, which, consider-
ing the character of the duty, and the op-
portunities for fraud, the Government are
of opinion cannot be deemed ~~excessive~~ unreasonable. The
proportion which the charge bears to revenue is
not a fair guide for determining the ex-
cost of establish-
ments of this
nature, for there

is no knowing how much
revenue is saved by smuggling
being prevented, and places
must be guarded which ex-
would become routes for
smugglers if not watched:
ex gr Alwarcurichy in Tinne-
velly where Rs 300 is now
spent to collect Rs 2. Preven-
tive establishments are
also from their nature ex-
pensive, for Government
have to bid against the ex-
Smuggler who make ~~more~~
to make it better worth their
servants while to be honest
than fraudulent.

7. By the scheme now
submitted there will be four
classes of Ameens or Super-
intendents, Viz

6. In the event of the arrangement with the Native States of Travancore and Cochin recommended in the Letter from the Govt of 20 Augt 1862 No 334 (Political Dept) being sanctioned, the establishment proposed for Madura and Tinnevelly and costing Rs 395 per mensem will of course be unnecessary.

The

The Peons 35 in number are to receive uniformly 6 Rupees each.—

These are the collecting establishments.—

The preventive ~~forces~~ sixteen are to be entrusted entirely to the New Police and the force specially required for this purpose has, after careful consideration by the Inspection Genl been fixed at the following strength.—

~~consisting of~~

8 Head Constables; 1 on 22, and 7 on 20 Rs each

10 Deputy Do; 1 on 12, and 9 on 10½ Rs each.

4 on 8 Rs each.
44 on 7 " "
49 on 6 " "
29 on 5¼ " "

The total number of Customs Stations is 20.

18. The present scheme has been carefully considered, and the Government regard it as not more than is necessary to ensure efficiency. They therefore direct me to request the sanction of the Government of India for its introduction from 1st May next at a cost of Rs 1,951-12- per mensem or Rs 23,421 per annum.—

The sum entered for the purpose in the Budget for 1863/64 under III Customs Rs 27,564.—
