*Proceedings of the Madras Government, Revenue Department,
9th April 1863.*

No. 39. Read the following letter from J. L. LUSHINGTON, Esq., Acting Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 27th March 1863, No. 447 :—

SIR,

In Proceedings No. 1,906, dated the 8th September last, the Government at the recommendation of the Board of Revenue, authorized the several Collectors to advance the salaries of the Village servants in all cases in which due provision might not have been made in the sanctioned Budget. This authority was not made available in the case of the Tinnevely District for which the necessary provision on account of Village Establishments had not been made, and the charge was defrayed from the provision on account of the general Revenue Establishment of that District. The grant on the latter account has, however, proved insufficient to meet the cost of both Revenue and Village Establishments for the whole year. Funds are still required for two months, February and March 1863; and as the Supplemental Budget for 1862-63, in which provision to the extent of Rupees 28,539 has been made on account of the Village Establishments of the District of Tinnevely, has not as yet been sanctioned by the Government of India, I have the honor to request that you will be good enough to obtain the authority of Government for the Collector to advance the pay of these Establishments for the two months above referred to, subject to audit and adjustment on receipt of sanction to the Supplemental Budget. Early orders are solicited.
