PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Deputy Quarter Master General of the Army, Fort Saint George, 21st November 1862, *No.* 8971; *to the Secretary to Government, Military Department.*

I have the honor, by order of His Excellency the Commander-in-Chief, to forward for submission to Government and publication in the Fort Saint George Gazette, the specification of the boundaries of the Military Cantonment at Arcot.

Description of the Boundaries of the Military Cantonment of Arcot, (*Raneepett.*)

Number of Station marked in the Plan	Bearing of next Station.	Measurement along the boundary line to next Station.	Remarks.	
1	93° ....S. E.	27 yards...	There is one boundary mark.	Boundary line runs through Palmyrah Tope, four yards on the South side, parallel with the Madras road.
2	119° ....S. E.	380 „		
3	107° .....S. E.	403 „		
4	120°-15.....S. E.	69 „		
5	110°-45.....S. E.	428 „ ...	One boundary mark stone removed, and only the brick-work of foundation remains.	Boundary line continues to run parallel to the road to Madras as far as the East end of the wall of Vytheelingam Choultry.
6	111°-15....S. E.	344 „		
7	111°-45.....S. E.	338 „		
8	16°-15..... N. E.	385 „ ...	One boundary mark....	Boundary line runs across the Plain about 100 yards West of Wallajapet Tank to some Paddy fields.
9	30° .....N. E.	458 „ ...	One boundary mark, foundation gone, but stone remains.	Boundary line runs through the Paddy fields and some gardens.
10	56° .....N. E.	561 „ ...	One boundary mark—the stone has fallen off, the brick work remains.	Boundary line runs across the Plain.
11	61°-45.....N. E.	675 „ ...	One boundary mark....	Boundary line runs across the Plain crossing the Wallajapet to Ammúr road, skirting some Lime-kilns to a large Bowry close to Ghosha Choultry.
12	40° .....N. E.	528 „ ...	Do. ...	Boundary line across a Plain.
13	23°-45....N. E.	487 „ ...	Do. ...	Boundary line continues across the Plain to the corner of a large Bowry crossing it near the Bridge and Wallajapet road to Sholinghur.
14	331°-30 ... N. W.	141 „ ..	Do. ...	Boundary line re-crosses the road, runs through a garden close to a Bowry and across the Plains.
15	333°-30 ... N. W.	581 „		
16	267° ... S. W.	687 „ ...	One boundary mark,—the stone has fallen off, the brick work which still remains.	Boundary line runs across the Plain and road from Wallajanugger to Ammúr.

18	245°-45 ... S. W.	300 „ ...	One boundary mark cannot be found according to the Plan.	Boundary line runs across the Plain crossing the Raneepett to Ammúr road to a small Tank.

Description of the Boundaries, &c.—(Continued.)

Number of Station marked in the Plan.	Bearing of next Station	Measurement along the boundary line to next Station.	Remarks.	
19	234° ... S. W.	526 yards.		
20	275°-15 ... N. W.	282 „	... One boundary mark ..	Boundary line close to the bund of a small Tank and crosses the Plain.
21	274°-30 ... N. W.	448 „		
22	270°-15 ... ... W.	247 „	... Do.	... Boundary line continues across the Plain to a small Sawmy-house close to the bund of a large Tank and runs along the top of the bund.
23	272° ... N. W.	359 „		
24	221°-45 ... S. W.	165 „	... The boundary mark is nearly covered by the bund and the stone only appears, and the other is altogether covered by the bund. According to the Plan and information given by the villagers and the late Military Cutwal and some other persons, the boundary mark should be on the Station as shewn on the Plan, it is supposed to have been covered over, as the bund has been raised very high since it was placed there.	Boundary line skirts and runs along the top of the bund of the Tank, and then passes below it and crosses the Plain.
25	242°-45 ... S. W	828 „		
26	315° ... N. W.	841 „		
27	68°-15.....N. E	402 „	... One boundary mark....	Boundary line skirts the Tank.
			.. One boundary mark which has tumbled down.	Boundary line passes across the Plain and some Paddy fields.
28	68°-15.....N. E.	405 „	... One boundary mark....	Boundary line passes across the Plain and some Paddy fields to the bank of a Nullah.
29	318°-15 ... N. W.	435 „	... One boundary mark which is out of repair.	Boundary line skirts the bank of the Nullah.
30	316° ... N. W.	321 „	... One boundary mark on the bank of the Nullah.	Do. do. do. ...
31	313°-30 ... N. W.	302 „	... One boundary mark—the stone of which has fallen off.	Boundary line passes some Paddy fields and bank of the Nullah.
32	231°-15 ... S. W.	352 „	... One boundary mark should be on the side of the Nullah, the earth having been washed away from it by the water. According to the information of the Vanapady villagers and some other persons, the position is correct.	Boundary line crosses some Paddy fields and passes to the bank of the Nullah.

District Engineer, North Arcot.

Memorandum from the Deputy Quarter Master General of the Army, Fort Saint George, 2nd December 1862, *No.* 9292; *to the Deputy Secretary to Government, Military Department.*

In reply to Memorandum of the 28th ultimo, from the Deputy Secretary to Government, the Deputy Quarter Master General of the Army has the honor to state that the Plan of Arcot Cantonment, received from the Centre Division and which accompanied the specification of the boundaries, bears the signature of the Acting Collector, as assenting to the correctness of the Cantonment limits shewn thereon.

ORDER, No. 4316, 18*th December* 1862.

Referring to the great extent of ground comprised within the original Military limits of the Cantonment of Arcot and the altered circumstances of the Station, now occupied by a single Regiment of Native Infantry, the Governor in Council directs that the foregoing papers be referred to the Revenue Department, in view to a re-consideration of the boundaries, in communication with the Military Authorities, to meet the present Military requirements of the Station.
