*Proceedings of the Madras Government, Revenue Department,
10th April 1863.*

No. 57. Read the following letter from H. A. MANGLES, Esq., Officiating Civil Paymaster, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, dated Fort Saint George, 27th March 1863, No. 396 :—

SIR,

I have the honor to subjoin Extract of a letter* from
• No. 106, dated 24th instant. Mr. W. G. McIvor, Superintendent Government Chinchona Plantation, explaining that he has allowed one individual to hold the two situations of Writer in the Gardens at Ootacamund and Writer in the Chinchona Plantation, and with reference to paragraph 79, Chapter III of Civil Auditor's Manual, to enquire whether the separate salaries each of 20 Rupees sanctioned on those accounts may be admitted.

Extract from a letter from the Superintendent Government Chinchona Plantation, to the Officiating Civil Paymaster, Madras, No. 106, dated 24th March 1863.

Paragraph 3. The Order of the Government of India dated 15th June 1860, No. 5,326, authorized a Writer on Rupees 20 for the Garden, and the Order of
† 7th Sept. 1861, No. 1,726. Government first noted† sanctions Rupees 20, as the pay of a Writer for the Chinchona Plantations; thus a total of Rupees 40, was given to the Writer for performing the duties of both establishments.

(True Extract.)

(Signed) C. A. VINT,
Acting Head Assistant to Civil Paymaster.

No. 58. ORDER THEREON, 10th April 1863, No. 631.

Mr. McIvor should not have combined the two offices without the permission of Government as required by the standing Rules. This permission is now granted with retrospective effect, as the work of the two offices can be efficiently performed by the same person and a good Writer could not be procured on the Hills for 20 Rupees.

(Signed) J. D. SIM,
Secretary to Government.

Dr. A. L. Lott, Surg. Maj. Genl. Chini, Flag Officer, U.S. Navy, at San Francisco, Cal. 10. 1863. (Mailed in 10-10-63)

W. 63/12

Mr. Mc Lorr should not have combined the two offices without the permission of the pt. as required by the standing order. This permission is very painful with respect to the effort, as the work of the two offices can be efficiently performed by the same person and a post master could ^{not} be procured on the hills for less than 20 Rs.

Yours truly, George
