PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Telegram from the Secretary to the Government of India, Public Works Department, dated 28th March 1863.

"Mr. George Noble Taylor has been selected by the Governor General for an important service connected with the East Indian Railway. It is hoped that the state of the Indian Commission will allow of his being directed to proceed at once to Calcutta as soon as he has made himself acquainted with the establishments and system of management of the Madras Railway—the service will probably occupy not more than three months."

ORDER THEREON, 31st March 1863, No. 146.

The foregoing Telegram will be communicated to Mr. George Noble Taylor, who will be placed at the disposal of the Supreme Government for the performance of the service referred to.

2. Mr. Taylor will repair to Madras for the purpose of making himself acquainted with the establishments and system of management on the Madras Railway, pending the further instructions of the Supreme Government. The Consulting Engineer and Agent will be requested to furnish Mr. Taylor with any information he may require.
