*Proceedings of the Madras Government, Revenue Department,
15th April 1863.*

No. 126. Read the following Proceedings of the Board of Revenue, dated 30th March 1863,
No. 1,910:—

Read again letter from the Collector of Kurnool, dated 2nd February 1863, No. 18, recorded in
Board's Proceedings, 24th idem, No. 1,103.

Read also the following letter from the same Officer, dated 7th March 1863, No. 35.

1. With reference to the Proceedings of the Board of Revenue dated 24th February,
No. 1,103, requesting certain explanation regarding a Statement of Inám lands in the Kalloor
village, I have the honor to state that the amount of present assessment is entered correctly in
column 19 of the Statement, but in the 4th and 15th columns the entry instead of Rupees 2,
should be 2nd Class Regada, for which Rupees 2 was entered in the manuscript copy.

2. The existing assessment being fortuitous, a new assessment, according to the value of the
soil, has been fixed by the Inám Deputy Collectors, in settling the Inám lands of the District,
which assessment is now accepted in all cases of compensation.

Ordered that the necessary correction, as pointed out in Mr. Minchin's letter of the
7th March, be made in the Statement submitted with his former letter of 2nd February, and that
the papers be submitted to Government, with the Board's recommendation that the exchange of
Inám land proposed therein be sanctioned.
