Proceedings of the Madras Government, Revenue Department, 12th January 1863.

No. 125. Read the following Proceedings of the Board of Revenue, dated 22nd December 1862:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tinnevelly, 13th December 1862, No. 534.

SIR,

1. With reference to Section 3, Regulation XIX of 1802, and to a Circular from the Registrar of Government Grants, under date the 10th April 1854, stating that nobody should possess lands in territories belonging to the British Government, who is not a British subject, without the special sanction of Government, I have the honor to report that the Revenue L. Verdier, a French Roman Catholic Priest residing in this District, has applied for permission to purchase from the Native proprietors in the villages of Coilpatam and Manacadu in the Tenkarai Talook, for the benefit of a charitable institution under his charge in the above Talook, certain dry lands and Palmirah trees, particularized in the annexed Statement. The proprietors are willing to sell the lands and trees, and I see no objection to the Reverend Mr. Verdier's being permitted to purchase them for the purpose stated, and I therefore request that the necessary sanction may be obtained,

2. The lands above mentioned are in addition to the lands referred to in my letter to the Board, dated 20th ultimo, No. 495, which has been submitted for the sanction of Government in the Board's Proceedings of the 2nd instant, No. 7,880.

Ordered to be submitted for the sanction of Government.

(A true Copy and Extract.)

(Signed.) W. HUDLESTON, *Secretary.*
