*Proceedings of the Madras Government, Revenue Department,
17th April 1863.*

No. 147. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 8th April 1863, No. 28:—

SIR,

1. Mr. Rae having requested me to let him know the date up to which the Tea Manipulators have been paid ere they came to him, I referred to the papers received with the Government Order of the 17th February 1863, No. 355, from which I find that their wages at 16 Rupees each per mensem are to be calculated from the date of their departure from Kolighiri in the Deyrah Doon; that they received an advance of three months' wages in addition to an advance of 20 Rupees each for road expenses, and that they started on the 20th January 1863. Hence, it appears that they have already received their wages up to 19th April 1863, and that the first payment to be made here should be calculated from the 20th idem, I request to be favored with the orders of Government as to whether I am right in this view, and whether I may make the payment accordingly, debiting the same in the "unaljusted column" pending the sanction of the Government of India for the provision ordered to be made in the Budget for 1863-64.

See paragraph 3 of Surgeon Jameson's letter to Doctor Cleghorn, dated 7th January 1863. Also his letter to do. dated 20th do.

2. I presume that neither Mr. Rae nor Mr. Mann has to pay anything to the Manipulators.

No. 148. ORDER THEREON, 17th April 1863, No. 676.

Resolved that the Collector of Coimbatore be informed that he is correct as to the date from which the Tea Makers should be paid their salaries from the Coimbatore Treasury, and he is authorized to make the payments accordingly.
