*Proceedings of the Madras Government, Revenue Department,
17th April 1863.*

No. 151. Read the following Proceedings of the Board of Revenue, dated 27th March 1863:—

Read the following letter from A. PURVIS, Esq., Collector of Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Ambajapata, 21st March 1863, No. 60.

SIR,

1. I have the honor to state that the Civil Surgeon at Cocanada has frequently brought to my notice the inconvenience experienced from the Apothecary attached to the Seamen's Hospital and Civil Dispensary at that place, having to live at some distance from his duties, there being no house available in the vicinity of the Hospital, the rent of which is within his means.

2. A merchant by name C. Chelmiah has lately engaged that, if a piece of land, measuring about 0 A. 30 cent. in the close vicinity of the Hospital, is made over to him for the purpose, and for which he will pay an annual Quit-rent, he is prepared to build a suitable house, which he engages shall be exclusively available for the residence of the Apothecary, who may from time to time be attached to the Hospital, at a monthly rent of 15 Rupees, if it is occupied by an Apothecary of the First and Second Grades, or 10 Rupees if occupied by an Assistant Apothecary.

3. The ground under reference is close to the Hospital. It is not desirable that it should be made use of for any other purpose than for a house, as a residence for the Medical Subordinate attached to the Institution, and therefore I do not recommend that the Order of Government, dated 5th August 1859, which directs that all lands required for building purposes be put up to auction, should be made applicable to the present case, but request authority to make over the land to the applicant on his duly executing an agreement to the effect above mentioned, and on condition of his paying an annual Quit-rent at the rate of 2 Rupees per Acre.

Submitted for the sanction of Government.

No. 152. ORDER THEREON, 17th April 1863, No. 678.

Before passing orders on the proposal contained in these Proceedings the Government desire to know what it would cost them to provide the necessary accommodation for the Apothecary. The Board will be requested to procure and submit information on this point.

Secretary to Government.

For Orders - Arrangements
of this kind rarely turn out
satisfactory and I ~~rather~~ would
rather at least enquire what it
would cost ^{per} to provide the
necessary accommodation. If
the arrangement is sanctioned
the agreement must be carefully
drawn up & power retained for
the removal of the building
within a stated time, if the
conditions are not fulfilled. The
present & future appts. the carrier
must also be signed & lie in
the book. J.D.S.
