*Proceedings of the Madras Government, Revenue Department,
24th April 1863.*

No. 209. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Camp Walghát, Malabar, 6th April 1863, No. 479 :—

SIR,

I have the honor to forward two letters and Tabular Statements from Captain Gib, in charge of the Wynad and Hunsúr forests, proposing some slight changes in the pay of his fixed Establishment, no increase is proposed in the sanctioned amount, and as from the explanations offered by Captain Gib, the alterations seem desirable, I have the honor to request that you will obtain the sanction of Government for the same being made.

No. 210.

ORDER THEREON, 24th April 1863, No. 707.

The alterations proposed are sanctioned.

(Signed.) J. D. SIM,
Secretary to Government.

Sir

I have the honor to enclose a tabular statement of the sanctioned establishment for Hydrabad Forests for 1863/64 and also one showing the changes in the pay of a portion of it. I request permission to be allowed to make.

2. I have been able to secure the services of a sufficiently good 2nd Writer for 35 Rupees a month and as I find on experience that it is all but impossible to get a good Goomastah for 20 and quite impossible to get one for 15 Rupees. I propose to give to each of these men 5 Rupees saved from the pay of the 2nd Writers

3. The Goomastahs have very hard work moving about in the jungles at all seasons and looking after the Conservators and my present one who has now had one year's experience in Hydrabad is a valuable man in his way and is I think deserving of an increase in his pay. I am certain that I shall not be able to get one worth having for 15 Rupees a month in Hydrabad although for the adjoining Forests of Stonsoor I can get one for half the sum. You will observe that I do not propose any increase in the Monthly Abstract over the sanctioned Amount.

I am Sir,

Sir,

I have the honor to enclose a Tabular Statement of the Establishment for the Koonoor Forest for 1863/64 and also one showing a change in the Salary I request permission to make

2. The sanctioned pay for the Daftadar is 16 Rs a month but I find that I can get 2 Goomastahs for that amount on the Mysore side of the Teak Belt running between Wynad and the Mysore boundary.

The reason of this is that they are living in their own Country and all the necessities of life are 30 or 40 percent cheaper there than in Wynad and the climate is healthier.

3. The two tracts of forests which comprise the Koonoor Forest, viz the Rajoor and Pissalwadee are some eight miles apart with the Culliangy river between them and the Pissalwadee tract being much resorted to by the Ryots for jungle wood of different descriptions it is very desirable to have one Goomastah entirely located there the other in the Rajoor tract with the Overseer giving a general Superintendence.

I have the honor to be,

Sir

Your most obedient servant

W. H. Gil
