*Proceedings of the Madras Government, Revenue Department,
25th April 1863.*

No. 230. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Walghát, Malabar, 4th April 1863, No. 481 :—

SIR,

As our Department is to take charge of the Sandal-wood forests in the Bhowani and Collegal Talooks from the commencement of the ensuing official year (*vide* Proceedings of Board of Revenue, No. 8,011, dated 8th December 1862, Clause IV, paragraph 27, and Government Order No. 2,699, dated 31st December), and as Rupees 1,360 have been entered in our Budget for Establishment and working charges, I have the honor to forward a Tabular Statement for an Establishment of one Daffadar and two Peons for each Talook, making a total of 624 Rupees for the Establishment for the year, and leaving 736 Rupees for working charges. Major Morgan, who now has charge of the adjoining Sandal-wood Districts, will take over charge of these two Talooks from the Collector's Department on the 1st of May. The amount of working charges is not in proportion to the Establishment, but it is not my intention to work either of these Districts to any great extent in the ensuing year, but chiefly to conserve them, and guard against smuggling, both Districts are exceedingly feverish during the greater part of the year, and Major Morgan will have extensive operation in the Sigúr Sandal-wood forests.

No. 231. ORDER THEREON, 25th April 1863, No. 717.

Resolved that a Tabular Statement in the prescribed form be submitted to the Government of India with the following recommendation :—

“ The charge here proposed is not a new one. The Sandal-wood forests in Coimbatore are under the management of the Collector, and he hitherto provided for their conservancy and working, by employing temporary or extra Establishments each year, at a cost of nearly 630 Rupees. The forests are to be transferred to the Conservator of Forests from the 1st of May next, and it is necessary to make the Establishment permanent, which in fact it practically has been all along. The necessary provision was made in the Budget for 1863-64, and the requisite specific sanction of the Government of India for the charge is now solicited.”

(Signed) J. D. SIM,
Secretary to Government.
