EDUCATIONAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from E. B. POWELL, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Trichinopoly, 9th March 1863, No. 453.

With reference to Order of Government, No. 416 of 29th November last, communicating sanction for the transfer of the late Ralangi Taluq Cutcherry to the Educational Department, on a valuation to be fixed by the District Engineer, I have the honor to remark that the transfer spoken of was not solicited by me, and that in fact I was ignorant of Major Macdonald's having had any communication with Mr. Chase upon the subject.

2. I now find from a letter just received from Major Macdonald, that he applied, not for the permanent transfer of the building, but for its temporary use while unoccupied. The funds available for the erection, or purchase, of a School-house at Ralangi as mentioned by Mr. Chase, amount only to about Rupees 200, while the District Engineer's valuation of the Cutcherry reaches the sum of Rupees 935.

3. Under these circumstances, and observing that I feel by no means assured of the stability of the Ralangi school, I request that the building spoken of may, for the present, be merely made available for the School while not required, and that its final disposal may be deferred till Major Macdonald has had an opportunity of again visiting the place, examining the premises of the School, and carefully inspecting the house. Should this course be considered undesirable, I beg that the contemplated arrangement may be altogether annulled, as, with the information at present before me, I cannot consider I should be justified in recommending the purchase of the Cutcherry without the sanction of His Excellency the Governor.

Trichinopoly, 18th April 1863, No. 409.

Resolved that the building in question be placed at the disposal of the Educational Department until Major Macdonald has reported on the expediency or otherwise of its permanent occupation by the Ralangi School.
