## *Proceedings of the Madras Government, Revenue Department, 27th April 1863.*

No. 215. Read the following Proceedings of the Board of Revenue, dated 10th April 1863, No. 2,048 :—

Read Statements of actual charges incurred on account of certain additional Establishments in the Kistna District during Faslis 1271-72, both dated 27th February 1863.

(In Cons. 7th March 1863, My. Nos. 892 and 893.)

1. With his letter dated 17th June 1862, the Collector of the Kistna District submitted a Supplemental Estimate for the pay of certain temporary Peons employed in the Talooks of Bezwada and Gudivada for collecting revenue in those Talooks for Fasli 1271, amounting to Rupees 1,080, observing that the charge had through mistake been omitted from the original Estimate of additional Establishment for that Fasli. As the Supplemental Estimate was received immediately at the close of Fasli 1271 to which it referred, the Board deemed it useless to apply for the sanction of Government to it, and in their Proceedings dated 6th February 1863, No. 725, they accordingly requested the Collector to submit a Statement of actual charges for Fasli 1271, explaining clearly the necessity for the charge.

2. It is in reference to these Proceedings, that the Statements recorded above are now submitted, but without any explanation as to the necessity for the charge, and it was for want of similar explanation that the Board refused to admit the estimated charge of Rupees 1,080 for Fasli 1272 also, as noticed in paragraph 4 of these Proceedings dated 2nd March 1863, No. 1,255. It however appears from the remark entered in the Statement of charges for Fasli 1272, that the services of the Peons referred to were dispensed with from December 1862, owing to the introduction of the new Police, though in column 7 of the Statement the period is erroneously shown as "from July 1861 to April 1862," instead "of from July to December 1863." It is thus evident that the extra Establishment in question for the collection of revenue was necessary under the old arrangement of Talooks, and that it has now been discontinued. The Board therefore resolve to request that the sanction of Government may be granted for the actual charges incurred on account of the temporary Peons for Fasli 1271 and a portion of Fasli 1272, amounting altogether to Rupees 1,456-0-7. There is sufficient provisions in the Budgets of 1861-62 and 1862-63 to meet the charge.

No. 216. ORDER THEREON, 27th April 1863, No. 725.

The charge is sanctioned, but Government disapprove of the careless manner in which the case seems to have been laid before the Board; the necessity of the expenditure being left to be inferred, instead of being fully explained.
