*Proceedings of the Madras Government, Revenue Department,
30th April 1863.*

No. 282. Read the following letter from Lieutenant-Colonel S. O. E. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 17th April 1863, No. 627:—

Sir,

- 1 Plan.
- 1 Estimate.
- 1 Specification Report.
- 1 Letter from the District Engineer, Kistna, No. 194, dated 23rd March 1863.

I have the honor to forward for the sanction of Government, plan and estimate amounting to Rupees 700, for "constructing a Salt Superintendent's Office at the new Salt Cotaur, in the "Manganapudy Swamp, at Gokareram," in the Kistna District.

2. In Government Order No. 739, dated 24th March 1863, Public Works Department, Government directed the submission of the estimates for the Salt Platforms and the Superintendent's Cutcherry, and requested that I should point out a source from which their cost might be met. The estimate for the Cutcherry alone has been received. It has been examined and found correct. Its cost, viz., Rupees 700, will be met, as proposed by the Collector, from the funds at his disposal for "Contingencies" "Salt Department."

3. The Salt Platform estimates have not been received. I will call for them, and on receipt submit them to Government.

4. In the 2nd paragraph of his letter, No. 194, dated 23rd March 1863, the District Engineer requests that a Telegram may be sent him when the estimate is sanctioned. But this is, I conceive, unnecessary, as he could not have been in receipt of Government Order No. 739, dated 24th March 1863, at the time of his writing, ere this the sanction will have reached him.

5. It is not in my province, I think, to enter into any discussion as to the necessity for the Salt Superintendent's Cutcherry, as the Board of Revenue appear to have already entered into the matter and ordered the execution of the work. I beg therefore merely to solicit the approval of Government to the estimate of 700 Rupees.

Referred to the Revenue Department.

CHEPAUK,
18th April 1863.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

No. 283. ORDER THEREON, 30th April 1863, No. 745.

Approved. The Government must however observe that the sum allowed for Salt Contingencies in the Revenue Budget cannot be used in constructing buildings.

(Signed) J. D. SIM,
Secretary to Government.
