Proceedings of the Madras Government, Revenue Department, 13th January 1863.

No. 145. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Camp Tunacadavoo, Annamallai Hills, 24th November 1862, No. 283 :—

SIR,

1. With reference to the Government Order No. 2,388, of the 12th of November 1862, I have the honor to inform you that I proposed 1 Rupee per mensem additional salary to the Peons for South Arcot, over those for Salem, as they were required as a check upon the smuggling of timber without license, and their duties would necessitate much moving about. In Salem where we have a large establishment, the Peons are stationary at different Tannahs.

2. Lieutenant Borradaile, the Assistant Conservator, has now had some experience in his District, and he much wishes to be allowed a Native Overseer for the South Arcot side of his range upon a salary of Rupees 30 per mensem in lieu of the establishment proposed by me in my letter to Government, No. 246 of the 31st of October 1862, which amounts to Rupees 24 per mensem, he also states that if he finds the Peons necessary he will be able to spare two from the Salem side ; I approve of his proposal, and request that Government will sanction this arrangement in lieu of that proposed in my letter No. 246 of the 31st of October.

3. Rupees 24 have been entered in the Budget for 1863-64 for the South Arcot District, the remaining 6 Rupees can be met out of the Salem working charges. For the remaining portion of the present official year the Overseer's salary can be paid out of the Salem working charges as there will be a surplus.

No. 146. ORDER THEREON, 13th January 1863, No. 75.

Recorded, with reference to the latter part of paragraph 3 of the Proceedings of Government 8th instant, No. 28.
