No. 33. Read the following Memorial of REDDI KRISTNAMAH NAIDOO, an inhabitant of Senivarapetta, Ellore Talook, Golavery District, to His Excellency the Governor in Council of Fort Saint George, dated Madras, 27th March 1863:—

MOST RESPECTFULLY SHEWETH,

1. That on the 6th January 1863, I sent in a Petition, enclosing one to the Home Authorities, requesting that certain Talooks, Purgannahs and Mootahs be granted to me as a new Zamindary, or in perpetual Izarah. It was your pleasure to return it, on 3rd February, with the endorsement, that I was misinformed.

2. I now beg to inform you, that, on the 24th instant, I have sent Sir Charles Wood three packets, containing my Petition to him on the subject, and copies of my Petitions of 6th January to you and the Home authorities, and your endorsement of the 3rd February last.

3. In my Petition to the Secretary of State, I have prayed him to grant me the Talooks, Purgannahs and Mootahs, as a new Zamindary, or in perpetual Izarah; and, if it be inconvenient to do so, to give me the Izarah of them, or a portion of them, for a limited period; as, for twenty years.

4. As the Revenue Settlement of the lands in question would have been finished by this time, I pray you will fix their rent, at a proper sum, and grant me the Puttah from Fasli 1273; in which case, according to my tender, I will deposit one-fourth of their annual revenue. If the Izarah be for a limited period, I pray you will order the deposit to be returned at the end of the contract. For your gracious compliance with my prayer, I shall, as in duty bound, ever pray.

1. Name of Government 42
The humble petition of Ruddy Kristanna an
defendant of Chinnarapata Taluk in the District of Godavari
and residing at present at Chinnarapata near Chinnarapata
most respectfully sheweth

That your petitioner received the renowned information that
your Government would give grants of new lands to the
Rajahs of the several talukas and villages of the District of Godavari
India giving them rights and privileges as a new fee

That in the District of Godavari the talukas of Chinnarapata
Doondy Taluk Chinnarapata Taluk in the Taluk of Chinnarapata
Moots in the Taluk of Chinnarapata the Moots of Chinnarapata
and the cultivated lands under the Chinnarapata Moots in the
District of Krishna the Rajahs of Chinnarapata, Chinnarapata, Chinnarapata
Chinnarapata and the lands under cultivation in the talukas
of all the circles for the years 68 of 1768 and 72 both inclusive
and making some deduction and giving that as the Order of your Government
was to grant the Rajahs of the permanent Rajahs of the said talukas
and Chinnarapata from 1768 fully your petitioner requests that all the
cultivated lands or dry lands in the said talukas and Moots
of the Godavari District and in the Rajahs of Chinnarapata in the
Krishna District would be bestowed on him and his descendants or
his Rajahs or his permanent Rajahs and that he would be
given him

That by this arrangement the thousands of Rupees that are
being expended in the District of the officer in the District
Establishment and in the Revenue Department would be saved
to the Government

That the Government received the duty of a fee from the Rajahs
involving some of the lands in the Godavari District by the name
Godavari and Krishna Rajahs and since 1768

necessary to continue the same irrigation and since it has been customary for the Government to get on with the repairs of the Tanks &c. for the past years your Petitioner claims the same for the future also

That the Government have been accustomed to repair the Tanks &c. and Canals &c. which are not the responsibility of the District water and they used to receive the same fixed amount of Rist without any increase on account of the expenses they undergo owing to their attendance to the repairs and now your petitioner requests that he would be allowed the repairs of all the Tanks &c. and there for towards some further deduction in the Rist in consideration of the matter above stated

That it had been the custom in the past of the Government to employ Sooties and other Revenue officers for the collection of the Rist. But for Rist and Sooties Rist of all the Mohachas, Gramins, Sagaras and Sotas and Kardinias; but now the request of your Petitioner is that if those two Rists also be included in the Patta now to be given to him he would be ready to undertake to pay the same and pay to the Government

That the Government has been in the practice of granting remissions of thousands of Rupees in the Rist to be paid to them by the farmers of the lands when the balance of the crops or some such change should occur and your Petitioner now humbly states that since he finds himself to pay the Rist without receiving any such remission in all occasions like that to his advantage and to the advantage of the place is manifest from the Accounts of the

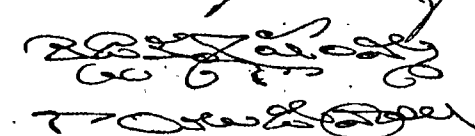

That your petitioner would deposit 1/4 of the Rist to be fixed upon the Zamindars or on the Permanent Sagaras per year whether it be Millions or less and that the Government would therefore be pleased to grant the Petitioner the title of Rajah Bahadur just like the other Zamindars

That since 1/4 deposit would be for an amount in the hands of the Government it has been a custom on the part of the Government to pay the interest on their Rist

the Zamindars fail to make their payments punctually at the end of the year; therefore your Petitioner also requests that the interest on the money deposited would be remitted to him at the close of each year. The Rist of the above named Salags, Paragas, and Sootas would amount to 8 Lacs of Rupees & fourth of that would be 2 Lacs of Rupees or more. He requests the interest only because the sum is immense

That what Consumption did occasion every year in how many thousands of Rupees by the Revenue Establishments by the repairs and by the Sooties &c. (in the five fushies) as stated in the 3, 5, 6 & 7 Sotas would be included in the accounts of the Revenue without being cost that may till this time this year expenditure in the amount of Rupees as we have fixed the employers in the Revenue Establishment &c. the Amicat water which is not over 1000000 and Tanks and Kanals &c. repairs and to the Soot Holders which we give remissions the Cost &c. on our own responsibility as the things to be done, therefore we humbly request to grant according to your Will of that Consumed sum year would be remitted to him in the Cost of the Salags & Paragas & Sootas above stated for his Office Establishment expenses

That if the request of your Petitioner be granted there would be many a Petitioner submitting his request for some similar grants of the 1/4 Lacs in Rist. From the Government clearly understands how many Lacs of Rupees are credited to Government and how many thousands of Rupees would be deposited in the Government exchange by the payment of a fourth deposit for every fushy. Therefore your Petitioner humbly Prays that your Government would on consideration of all the matters referred to in above paras and grant him Patta or Grants of Zamindaries or Permanent Sagaras. Your Petitioner as in duty bound

Inhabitant of Vinivara Petta, in Collore Taluq, Godavary District,

A report has been current, that new Geminaries or Perpetual
Gharahs, will be granted in the Zillads, Taluqs, &c. of the India
Government, after the finishing of the Revenue Settlement.
A Petition, dated 8th January 1863, was sent in to the
Local Government, accompanied by one, of the same date, to
the Home Authorities, stating, that there are, in the Godavary
and Krishna Districts, several Taluqs, Parganahs, and
Moodabs, independent of the Geminaries, producing an
annual Revenue of about Eight Lacs of Rupees, and the
Government, from 1873, as a new Gemi-
nary or perpetual Gharah, the rent being fixed at
the average of the Revenue actually received during
the five years, from 1868 to 1872, reduced ac-
cording to the pleasure of the Government.
Compliance with this tender would have been
very advantageous to the Government, for the Re-
venue Establishment of the Deputy Collectors, and
the Mookhasas, Agreahams, Ransiris,
the Billmakhata and Quit rents, and the repair
of the Tanks, Canals, &c. be particularised in the
Petition. Petition, the Government need have no other
aid, as he shall then collect the Revenue, and
be able to pay the repairs, on his own re-
sources.

Further prayed the Government would make the reduction alluded to at the close of Para 2, in consideration of his bearing the extensive losses, now sustained by the Government, arising from the remissions made to the joint Ryots, on account of the failure of Crops, &c. The Petitioner offered also to deposit a sum equal to One Quarter's Revenue. The Government returned the petition, with the following endorsement, dated 3rd February 1883. "Petitioner has been misinformed of the intentions of Government. His tender is herewith returned to him."

Government. The annual cost of the above Palace, &c., is
Two Lakhs of Rupees, and as the Government will save so
much, the Petitioner asks some consideration for the estab-
lishment he shall have to maintain.

Government to grant the alms, &c, mentioned in Para. 2, as a new Yemondary, or in perpetual Scharah, the Petitioner prays, they, or a portion of them, be granted in Scharah for a limited period of time, say for Twenty Years, in which case, he prays that the deposit be returned to him at the expiration of the Contract.
