SIR,

With reference to paragraph 1 of the Proceedings of the Revenue Board, dated 12th February last, No. 844, I have the honor to state that the deficit of Rupees 744\* under Sea Customs, may be met from the amount provided in the Budget for 1862-63, under the head "Salaries and Expenses," subject to I Land Revenue, for the items of charges shown in the margin, as the whole sum is available for expenditure on any other account.

Ordered to be submitted to Government with the Board's recommendation that orders be passed for the transfer of Rupees 744 from Land Revenue to Sea Custom charges to meet the deficit under the latter head, which has arisen in consequence of the old scale of the Sea Custom Establishment having been continued up to 1st August 1862, while provision was made in the Budget for the entire year 1862-63, according to the new scale.

(Signed) W. HUDLESTON, Secretary.

No. 48. ORDER THEREON, 6th May 1863, No. 776:

Referred to the Acting Accountant General for report as to whether the small sum of Rupees 744 required cannot be met from the general savings under "Customs," if not he will include it in his next monthly return of further grants required for 1862-63.

(Signed) J. D. SIM,  
Secretary to Government.
