*Proceedings of the Madras Government, Revenue Department,
6th May 1863.*

No. 51. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM Esq., Secretary to Government, Revenue Department, dated Madras, 18th March 1862, No. 1,209 :—

SIR,

1. I have the honor to forward for the favorable consideration of Government a request from the Collector of Madras that the salary of the Salt Superintendent at the Madras Depôt, may be raised at an early date from 42 Rupees to 109 Rupees as intended by Government in the Proceedings under date the 27th April 1860, No. 669, and as recommended by me in my Report on the Revision of the Salt Establishment, dated 22nd December 1860, No. 639, which is still before Government.

2. There can be no question but that the salary should be increased, but the case of the Superintendent of Madras (or Peshkar as he will eventually be designated) awaits, as do the other alterations recommended by me, the final decision of Government on my report.

No. 52. ORDER THEREON, 6th May 1863, No. 778.

The Government see no grounds to give retrospective effect to the higher rate of salary proposed for the Superintendent of the Madras Salt Depôt. The increase is in itself liberal and the Government of India have been requested to give effect to the new scale from 1st May 1863.

(Signed.) J. D. SIM,
Secretary to Government.
